ORINDA SUN

Vol. IX, No. 7 — Lafayette — Orinda, California — Friday, April 27, 1951 — TEN CENTS

Defense Council Formation Near

Formative meeting for an Orinda civilian defense council will probably be held some time shortly after next Tuesday night, it was indicated at the meeting of the Orinda Association Board of Directors Monday night.

Director Stanley Allen, who had been delegated by the board to get various local civil defense representatives together for such a gathering, reported that the Red Cross had asked that plans for a coordinating committee be put over until after a meeting of its own, scheduled for the evening of May 1.

"Shortly after that, something should develop," Allen said.

EFFORTS OF THE association board to organize a local civil defense council have been made at suggestion of Director Marvin Bonds, who is zone warden for the portion of Orinda south of Mt. Diablo Boulevard.

Plans are for local representatives of such groups as the fire department, the warden service, the sheriff's reserves, the Red Cross, the medical profession and the utilities, to form a coordinating committee for the pooling of information and for greater cooperation and efficiency.

The Orinda Association, the directors emphasize, is not seeking to "run the show." It is merely trying to get the ball rolling, so that the defense representatives can form their own group and go on from there.

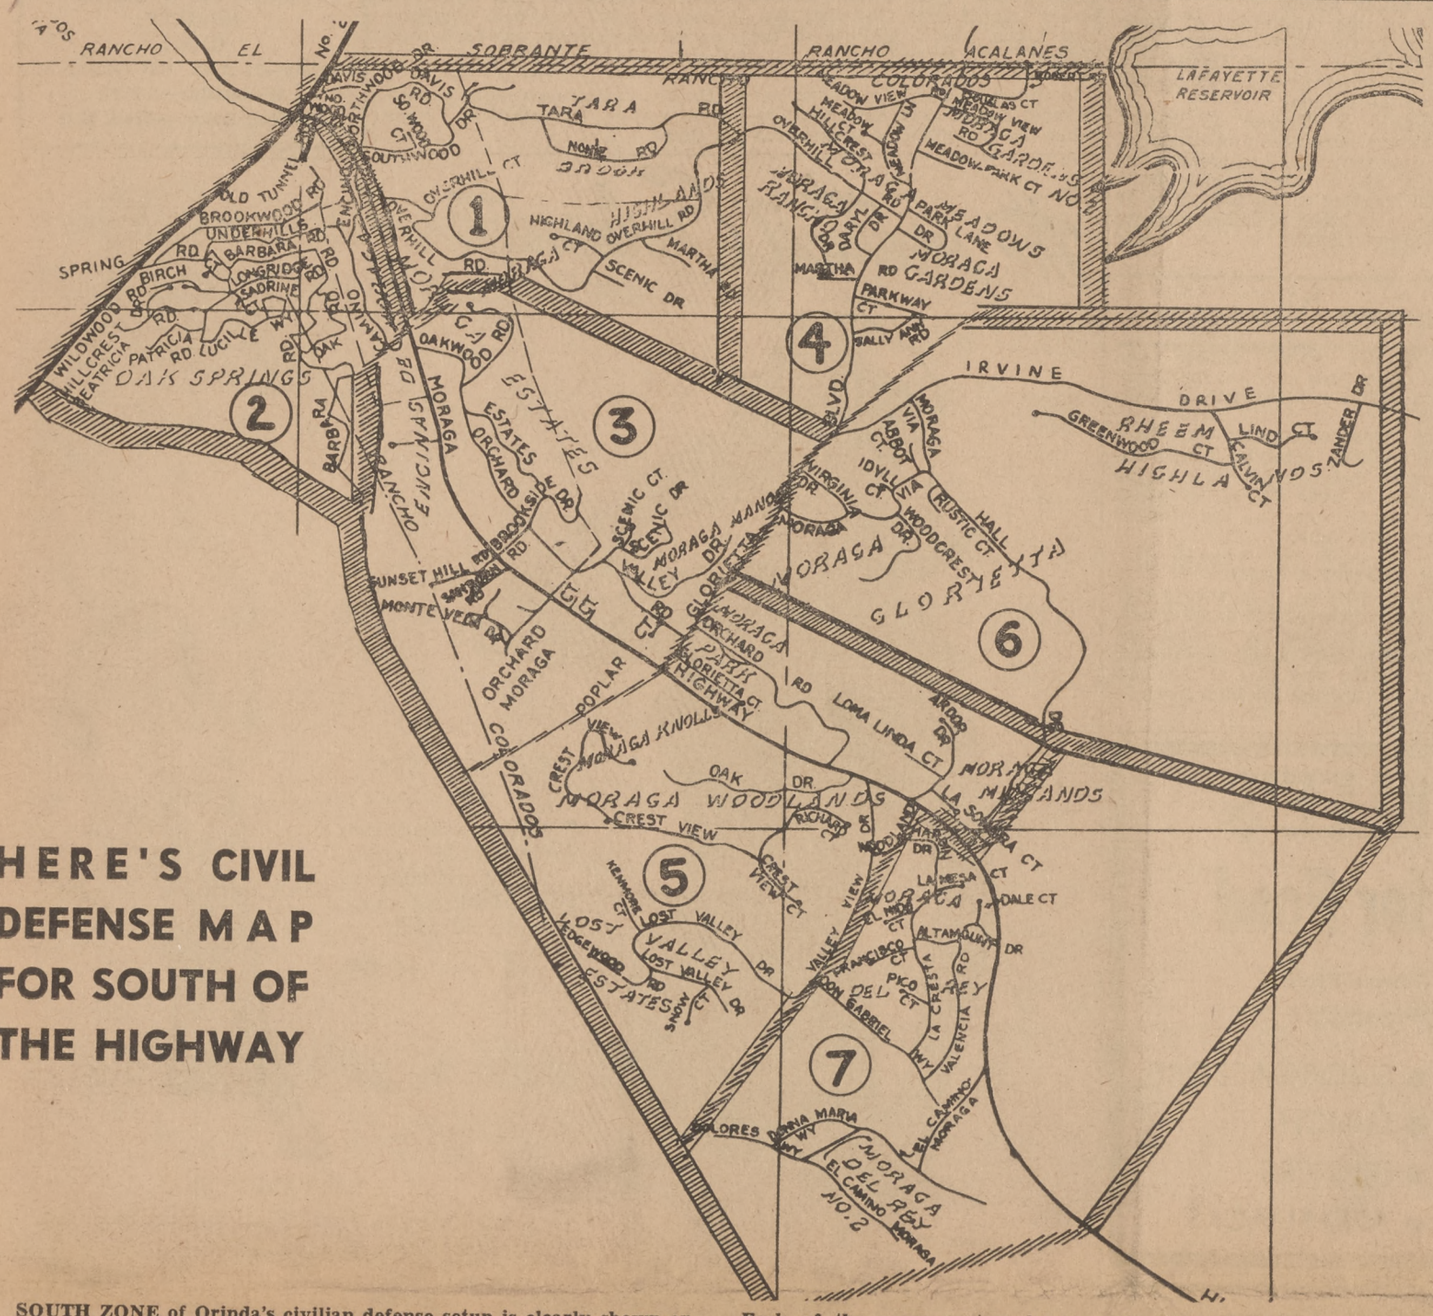
Bonds pointed out that "any local defense coordinating committee or council is strictly unofficial."

"The idea is simply to have a group of citizens, heads of particular services, meet and see how they can help other services," he explained.

DESPITE its unofficial status such a group would be very valuable, he declared. He added that the idea had the sanction of Sheriff James Long, vice-chairman of the Contra Costa County Civil Defense and Disaster Relief Council.

Bonds recalled that when Long and George Burton, director of the county council, met with the association board last September, Long said the idea of a local coordinating committee was a good one.

In the absence of President Kirk Miles, who was reported recovering from rheumatic fever, Vice-President Horace Breed presided at Monday night's session. Other directors present were Bonds, Allen, Mrs. de Laveaga and Secretary Norman Coates.



HERE'S CIVIL DEFENSE MAP FOR SOUTH OF THE HIGHWAY

SOUTH ZONE of Orinda's civilian defense setup is clearly shown on this map. This zone is the part of Orinda south of Mt. Diablo Boulevard and is divided into seven sectors, as indicated. Marvin T. Bonds is zone warden, and William L. Thurlow is assistant zone warden.

Each of the seven sectors has a sector warden and an assistant sector warden. Block wardens are named by the sector wardens. Map of the north zone appeared in the March 16 Orinda SUN. Both these maps are valuable for future reference; cut them out and save them.

Orinda Association Board Acts on Road Problems

Much of the meeting of Orinda Association directors Monday night was devoted to road or traffic recommendations drafted by the Civic Affairs Committee.

These Civic Affairs recommendations, and the board actions, included:

1. **FUNNELING** "heavy-truck" traffic problems through the Diablo Highway Improvement Federation —approved.

2. Breed to find out what the Highway Federation is doing about a second tunnel—approved.

3. Inquiring why the state hasn't assigned a man to operate Crossroads signals manually in peak Sunday hours—Bonds to check on whether manual operation is possible.

4. Writing to County Surveyor Joseph Barkley and Supervisor Jack Cummings, for surfacing of Martha Road—Civic Affairs will be asked to determine responsibility (the road is not a county road).

5. **LACK** of speed-limit signs near Orinda School—Coates to write Superintendent of Schools Joseph L. Sheaff about this.

6. Labeling of left-turns on the highway at the Crossroads—no action.

7. Request for road sign on Upper El Toyonal at entrance to Wildcat Canyon Road—referred back to Civic Affairs, for a local improvement group to take this up.

8. Possibility of stop signs at Miner Road and Camino Sobrante and at Miner Road and Lombardy Lane—same action as on point 8.

IT WAS SUGGESTED by Bonds that Civic Affairs set up a committee which could follow through on certain road and traffic problems after being referred back to Civic Affairs by the board. The board agreed with this proposal.

(For action on complaint about Greyhound bus service, see separate story.)

Lions to Elect Officers May 9

Election of officers is scheduled for the next meeting of Orinda Lions May 9.

A nominations committee report was given at the meeting held at the Willows Wednesday night. Lions saw the "Acalanes Story," color-sound movie of the growth and progressive methods at Acalanes High School. Neil Parsons, Acalanes superintendent, was guest speaker.

Announcements included the "bean feed" that the Lions-sponsored Scout Troop 207 is giving May 23. As the invitational "feed" is the same night as the regular service club business session, the meeting will be held at the Scout House .

George Curnley and Tom Pauli are Orinda Lion representatives on the committee planning a zone "Ladies Night" get-together May 19 at Acapulco in Lafayette.

Mrs. Groennings New President of Acalanes Mothers

Mrs. Sig. Groennings gave a tea Tuesday for outgoing and new officers of the Acalanes Mothers Club of Orinda.

New officers for next school year are: President, Mims Groennings; vice president, Laura Hudd; secretary, Opal Tomlinson; treasurer, Eleanor Monroe; corresponding secretary, Marie Muse, and program. Helen Vurek.

'Welcome' Sign Will Be Moved

It'll be moving day in a couple of weeks for that "Welcome to Orinda" sign just west of the Crossroads at the south side of Mt. Diablo Boulevard.

According to President Frank Olsen of the Orinda Rotary Club, the sign will be moved in about two weeks to about 50 feet west of the Loop, Wilson and Jewell real estate office, on the same side of the highway.

Reason for the moving, Olsen explained, is that the sign is now on State Division of Highways property. Erection of the sign was a joint venture of the Rotary Club, the Lions Club and the Chamber of Commerce.

Winfield Thomas Rites Conducted

Funeral services were held Monday at the Chapel of the Flowers, Berkeley, for Winfield Scott Thomas, 52, of 39 Irvine Drive, a resident of Orinda for 12 years. Thomas, a cattleman, died last Friday of a heart attack at the Monticello Ranch in Napa County, which he managed.

Son of the late Winfield Thomas, a professor of education at the University of California, Thomas was a veteran of World War I. He was a member of the Orinda Rangers, the Frontier Boys of Oakland and the Sonoma Trail Blazers.

He is survived by his widow, Mrs. Cordela V. Thomas; his mother, Mrs. Annie S. Thomas of Berkelek; two sisters, Mrs. Kendric Morrish of Orinda and Mrs. Robert Gerhart of San Marino, and three brothers, Edwin of Lafayette, Burton of Oakland and William Thomas of San Rafael. He was a native of California.

Definitely Not Absurd: $1,000 Raised by Show!

Kitty Schwarck, Mothers Club president, gives all credit to General Chairman Jean Henderson and her crew of "Absurdia in Suburbia II" for raising well over a thousand dollars which is to be given to the Orinda schools for visual aid equipment and the two libraries.

JEAN HENDERSON wishes to thank all those in the production, the stage crew, the costume and makeup helpers, the ticket sellers, program committee, talent scouts, finance and publicity, and the concessionaires.

Special thanks to Bob Boyle for his donation of Hills Brothers coffee and to Paul Pollaczek for his gift of coffee.

The generous support of the sponsors of the affair also deserve a big vote of thanks.

IT WAS the cooperation of all Orinda that made the show not only a good night's entertainment but also a financial success.

For it isn't only the Orinda talent one admires, but also the helpful spirit, the fun and enthusiasm for which this community is known.

'Battle of Geologists'–Rheem Oaks

Score of the Rheem Oaks dispute now is: One geologist's report made, another is coming up.

That's the status of arguments on whether the proposed 13-lot subdivision at Rheem Boulevard and St. Mary's Road in Moraga Valley is in a slide area.

At Tuesday's meeting of the County Planning Commission in Martinez, W. Dort, Stanford University geologist hired by the county to inspect the site, recommended that certain lots in Rheem Oaks be not built on because of slide conditions.

However, at the request of Wilson and Company of Oakland, engineering firm for owner D. L. Rheem, commission action was put off until next Tuesday night, to allow the firm to hire its own geologist and receive his report.

Engineer Frank Draga had previously declared that if the planners do not approve the map, the homes will be built by use of a "record of survey," reducing the commission's jurisdiction to such details as lot design.

County Surveyor Joseph Barkley has stated that Rheem Boulevard has been virtually closed because of slides.

John Stoffel, member of the Planning Commission from Orinda, recently reported to the Commission that he had seen the tract and believed it was out of the slide area.

Assistant County Surveyor George Berry recently stated, "We're here to protect the future buyers of land in the county, not the developers."

Fire Department Issues Warnings

Orinda Fire Department is urging renewed care by residents with the approach of the summer fire season.

After May 15, all outdoor open burning will be prohibited and outdoor burning permitted only in approved incinerators and with a permit.

Urging parental caution regarding their children, Inspector William Koch said that 90 per cent of last year's fires resulted from children playing with matches or firecrackers. Possession or shooting of firecrackers is unlawful.

Other precautionary measures urged by Inspector Koch include:

Contacting of the Fire Department by builders before starting new construction.

Plowing, discing or hoeing of a cleared area around homes, with a firebreak at least 10 feet wide.

Leaving garden hoses connected at all times for emergency fire use.

New County Roads in Lake Orinda Highlands

Vista Del Orinda and Las Piedras in Unit 1, Lake Orinda Highlands, were accepted as county roads last week by the Board of Supervisors.

Board Approves Pittman Tract

Final county approval was given by the Board of Supervisors Monday to the record of survey map for Marian Pittman's proposed new subdivision adjoining Moraga Meadows.

Fronting 1,100 feet in the north side of Meadow View Road west of Glorietta Boulevard, the area consists of 10 lots, three of them less than a half-acre in size each.

Seafarers to Meet

The Seafarers meet tonight at the E. T. Meakin home, 33 La Noria, Dessert will be served at 7:30. An interesting time is assured.

ORIENTAL GALS? Nope, just a few of the cast of the Orinda Mothers Club's "Absurdia in Suburbia II," presented to enthusiastic audiences last Friday and Saturday nights at Acalanes High School auditorium. In this Chinese Fantasy scene are, standing left to right, Jewel Witter, Shirley Haas, Doris Moylan and Helen Gibbs, and, kneeling in front, dancer Lois Brodrick. Over $1,000 was raised by the variety show, and the Mothers Club will aid the Orinda schools with the money, to be used for visual aid and library projects. (For review of the show and another picture, see page 7.)

Agree Commuter Group to Handle Bus Complaints

Orinda Association directors agreed Monday night that the Contra Costa County Commuters Association is the logical organization through which to channel efforts for betterment of Greyhound bus service.

Arthur Bowman of Orinda, a director of the Commuters' Association and chairman of the Commuters' Association transportation committee, appeared before the Orinda Association board at Orinda Grammar School in regard to recent complaints about lack of bus seats for commuters from Orinda between 7 and 7:45 a.m.

LAST WEEK the Orinda Association's Civic Affairs Committee asked the board to write to the State Public Utilities Commission, protesting this situation.

Bowman offered the services of his organization to Orinda Commuters, and pointed to his group's long campaign for improvement of Greyhound service.

AFTER CONSIDERABLE discussion, Stanley Allen moved that the board take no action on the suggestion of the Civic Affairs group, "deferring in favor of the Contra Costa County Commuters Association, which is better qualified on that particular subject," and that the board offer its "wholehearted cooperation to the Commuters Association in any way possible, if called upon to do so."

The motion, seconded by Mrs. Ned de Laveaga, was carried unanimously.

BOWMAN THANKED the board for its action, explaining that the motion went even further than what he had in mind. His intention, he said, had been to offer whatever help his organization could give.

It was generally agreed that unified action on commuter problems was better than "hit or miss" efforts.

LID 23 Hearing Thursday Night

Public hearing for protests on the resolution of intention to establish Local Improvement District 23 (Lake Cascade area) will be held next Thursday night at the office of the Central Contra Costa Sanitary District, 1822 Mt. Diablo Boulevard, Walnut Creek.

The hearing will take place at the regular monthly meeting of the district board, which will start at 8 p.m.

The directors adopted the resolution of intention April 12.

Mrs. Loeb Leads Lively Discussion On Discipline with School Mothers

By MRS. RITCHIE SMITH

The mothers of the Orinda Nursery School were most fortunate April 11 to hear Mrs. Dorothy Grace Loeb Clinical Psychologist from Cowell Hospital, speak on the ever present problem of child discipline.

Mrs. Loeb's talk was an open discussion which brought out a great many interesting points. Some of the conclusions were: Discipline involves developing the child's confidence in you as a parent. Discipline is making the child want to do what you want him to do with the purpose of his welfare in mind and making him better able to fit into our society as we live it today.

Mrs. Loeb stressed, "Be sure you want the child to do it before you ask him. We are apt to be too demanding, we ask too much of the child. It is better to stress a few important points than nag constantly at our children. If we keep after him about too many things he becomes deaf to our voice. Then there is too much constant conflict."

Another bit of sound advice was directed at the mother. To help overcome that frantic hour from 5 to 6 when everyone's nerves are exhausted, the mother should plan her day so that she isn't trying to do more than is humanly possible in that one hour. If mother would take 15 minutes to herself to relax as she chooses, then in turn give the child 15 minutes of her undivided attention before preparing dinner, both mother and child would have a feeling their needs had been attended.

Cooperation would come that much easier, Mrs. Loeb advised.

"To return to discipline, consistency is all important," she said. "You must follow through with your request for obedience, not let it slide when it isn't convenient at the time to press the issue. You only confuse the child if you bear down too hard one time and appear blind to his disobedience the next. He will be insecure, not know what is expected of him. Being human himself and of a strong will, he naturally tries to see how far he can go before obeying."

Another vital point she stressed was how to handle the child who suddenly throws something in anger or by some act of violence could hurt others. That child has been taxed beyond his endurance by a situation with which he is unable to cope. His outburst takes on a form of violence. The horrified parent is too apt to severely reprimand the already confused upset child, spank him and send him to his room. Very little is solved, he is resentful, and feels misunderstood. That is the time when the child needs love, care, attention and understanding to help him over that difficult hurdle he is too young to cope with himself, Mrs. Loeb concluded.

The meeting was followed by refreshments served by Mrs. Cullen and her committee, Mesdames Altman, Burton, Bentley, Van Zandt, Shaner, Sutton and Shank.

Local Women Active In Preparations for Junior League Event

A fashion parade of the newest styles from Ransohoff, Inc., will be a feature of the Junior League program planned for the Art and Garden Center in Walnut Creek May 2, 12:45 p.m.

A group of Lafayette and Orinda members will be among those taking part in the affair, which is under the chairmanship of Mrs. Bruce Anderson and her assistant, Mrs. Ernest Kahl, both of Orinda.

Mesdames Frank Dunn and Ernest Kahl will be among the models. Members who will assist in setting the tables and serving are Mesdames Carl F. Dailey, William Lindberg, Bruce Hayes, Leland Scott, Jr., and Richard Ward, Lafayette; Mesdames James Felchlin and Donald Richards, Orinda.

A coffee meeting was held at the home of Mrs. John Gompertz in Orinda last week to discuss money raising for Planned Parenthood. Those who attended were Mesdames Robert K. Smith, Ernest Kahl, Jack Carlson, Charles Baker, John McFarland, James Felchlin and Bruce Anderson, all of Orinda.

Theta Upsilon Bridge

Mrs. William Siefker, Orinda, and Mrs. Paul Kalff, Jr., of Lafayette, were among the hostesses in an area-wide bridge party last week sponsored by Theta Upsilon alumnae of Berkeley.

Trans-Bay graduates, the Mothers Club and members of the college chapter and their escorts took part in the event. Parties were held at the Durant Avenue chapter house in Berkeley and at homes of alumnae throughout the Bay Area. High scores were determined by telephone at the end of the evening.

ASSOCIATION DIRECTORS

Ballots have been placed in the mail for all members of the Contra Costa County Development Association on a slate of 21 directors suggested by a nominating committee to fill expiring terms of a board of 63 members. Terms of one third of the members of the directorate expire each year.

Name Ann Ellerd Realtor Officer

The regular meeting of the Women's Division of the Contra Costa Real Estate Board was held April 18 at Hal's Restaurant in Lafayette, with Madison Ernest Wulfing of Oakland as guest speaker.

His topic was "Secondary Financing." He was accompanied by his wife, who is very active in the Women's Division of the Oakland Real Estate Board.

Due to the resignation of Marie Gibson as secretary-treasurer, Ann Ellerd of the firm of Massie and Underwood of Orinda was elected to fill the vacancy.

Mildred E. Tinker of Walnut Creek was appointed a chairman of the entertainment and social committee. She is already planning a social evening to be held May 24 at the new home of Lillian Stevens in Walnut Creek.

Canyon News . . .

CANYON BLUE BIRDS and Camp Fire Girls attended the Grand Council Fire held recently in Oakland.

AT THE CANYON WOMEN'S Club meeting recently it was announced that the pot luck supper brought in over $75, all of which was turned over to the Canyon school well fund.

FOR SAFETY'S SAKE

When parking, it is always wel to stop the car before backing near enough to another car to crush any pedestrian who might be passing between the two cars at that moment, advises the National Automo bile Club.

Joint Lion Shindig To Be Held May 19

Lions of Danville, Walnut Creek, Orinda and Lafayette, with their wives, will gather at Acapulco May 19 for a "Ladies' Night" dinner and dance.

Gordon Hooper, Lafayette Lion, spearheaded the idea of this joint club festivity and heads the planning committee, assisted by George Curnley and Tom Pauli, Orinda Lions; Colonel John Gestring, Danville Lions, and C. McPhee of the Walnut Creek service club.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians

Locker, Shower Room Bids Asked

The Acalanes Board of Trustees has called for bids for construction of locker and shower rooms recently okayed by the state for the new Las Lomas School.

Bids, due May 10, will be opened that evening.

Construction at Las Lomas continues to progress. The school is slated to open this Fall. Registration of 140 students has been completed.

Do you realize how much it costs when you go through the Tunnel to shop?

Music Appreciation

A music appreciation class sponsored by Contra Costa Junior College meets each Wednesday, 7:30 to 9:30 p.m., at Parkmead School, Walnut Creek. The class is directed by Allen Scholl of the college faculty.

Plenty of power for production...
and some of those who created it

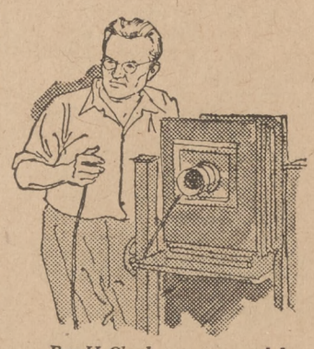
Last year 368 new, large industrial and commercial users were connected to P. G. and E. lines – including oil refineries, steel fabrication, chemical plants–the very sinews of American industry. Their power needs were met, with ample reserve to spare.

By summer our post-war construction program will have doubled our 1945 capacity.

All this took planning ahead and prompt action by many people. And as industry expands, P. G. and E. is ready and will continue to be ready with the power...and at rates among the lowest in the nation.

George S. Koss, superintendent of Columbia Steel's cold-reduction plant at Pittsburg, California. Koss needs five giant electric motors to power Columbia's 3500-ton monster that produces 450 tons of precious, cold-reduced steel every 8 hours. To steel plants P. G. and E.'s ample electric power is vital.

W. G. B. Euler, executive vice president in charge of P. G. and E.'s construction program. It was Mr. Euler and his staff who planned and supervised the numerous details of this construction program, one of the largest and most swiftly-executed in industrial history.



Ray H. Clarkson, commercial photographer, of Stockton. Mr. Clarkson is one of the 170,000 stockholders who have invested some of their savings in P. G. and E. securities. Through their investment we have been able to build the dams, power plants and miles of transmission line it takes to provide ample power for Northern and Central California.

1,200 See 'Acalanes Story' Premiere

An estimated 1,200 citizens within the Acalanes School District attended the school's "Open House" program Monday for the premiere showing of the 16mm. film documenting school growth since 1945, "The Acalanes Story."

The picture reviewed the academic program, extra-curricular activities, growth in student population, expansion of the school plant facilities, community utilization of the campus and a breakdown of district financing.

Mrs. George Vurek of Orinda typified parent reaction to the curricula reviewed in the film, stating that she wished her youngster could be in more places at one time to take full advantage of the extensive educational experiences offered.

Immediately after the film the audience split up to visit the many separate displays of student work exhibited by departments and classes of the school. Refreshments were served at the close of the evening.

A Parents' Club meeting, pushed up from its regular date to coincide with "Open House," preceded the program. Statewide observance of "Public Schools Week" continues through today.

"The Acalanes Story" is being shown to the Walnut Creek Lions, Orinda Lions and Walnut Creek Soroptomists this week.

Tom Hageman Wins Scholarship At Curtis Institute of Music

A telephone call from Philadelphia to his parents in Lafayette brought word last week from Tom Hageman, local young musician, that he had won one of the two scholarships for flutists awarded each year by the Curtis Institute of Music in that city.

Tom, who left Lafayette two weeks ago to fly east in order to participate in the scholarship auditions in Philadelphia, is well-known locally for his musical accomplishments. He has been a leader in musical circles in Lafayette since his grammar school days and recently was a guest soloist with the San Francisco Symphony.

WHILE A STUDENT at Acalanes High School, Tom assisted in teaching and forming an orchestra in the Lafayette Grammar School.

He is a member of the Northern California Harpists Association, with which he has appeared several times as the flutist accompanying many of the best known harpists in this area.

THE SCHOLARSHIP which Tom was awarded in the recent audition will give him the opportunity of studying in the Curtis Institute of Music for the next four years under the tutelage of America's foremost flutist, William Kincaid. The local student heard Kincaid play in a performance of the Philadelphia Symphony Orchestra while he was visiting in that city.

During his trip in the east Tom visited in New York City, viewing the sights there. He also traveled to Boston, where he attended a performance of the Metropolitan Opera Company and made the acquaintance of the flutists of the orchestra playing for the Metropolitan.

The scholarship which Tom has just been awarded is a much coveted prize, as there are only two such scholarships for students of the flute given in the whole United States by the Curtis Institute this year.

THE ONLY WAY in which a musician may become a student at this school is to win one of its scholarships.

Young Hageman, who is expected home from his trip this week, is the son of Mr. and Mrs. Jack Hageman of Monroe Avenue. His brother, Jerry, is a student at the Lafayette Grammar School.

Tom will leave in the fall to take up his studies in Philadelphia.

Prepare Riding Ring for Horse Show

President R. B. Burnett of the Concord-Mt. Diablo Trail Ride Association announced that workmen have started readying the riding ring and the Western range area for the two-day Spring Hunter Trials and horse show, the third annual, Saturday and Sunday, May 12 and 13.

The association, said Director Dick Nourse, purchased this entire large property, complete with large modern clubhouse and grandstands seating upwards of 6,000, for the purpose of perpetuating this great horse show.

Donald C. Allen of Oakland has been named publicity director. Allen said: "The show ring will exhibit competitors from all parts of the West. They will use the flat English saddles and perform jumps and regulation international show actions, seldom seen outside of Madison Square Garden.

"This is no wild west rodeo, although part of the show will be devoted to the Western side. We will have cowboys doing branding, roping, leading and all the fitting of the open country. We have two shows in one-the classy show ring and the cowboys."

Box seats for the two-day show are on sale, Allen said, at P. O. Box 872, Concord, or by calling Concord 8969.

Starting Sunday It's 3, Not 2!

There's a simple way to avoid being told "It's later than you think." Just set your clock forward an hour before you go to bed tomorrow night.

Daylight Saving Time starts at 2 a.m. Sunday. At that hour the hands on our time-pieces take a running broad jump forward to 3 a.m., and from then until the last Sunday in September we kid ourselves that it's an hour later than Old Sol says it is.

Advantage of this game is, of course, that we get an extra hour of daylight in the evening.

Just to enter into the spirit of things, Pacific Greyhound Lines announces that its bus schedules will operate on Daylight Saving time in those areas observing the time change.

De Laveaga Heads Young GOP Group

Organizational activity of the Central Contra Costa County Chapter of Young Republicans was completed Wednesday night by election of officers at a meeting at the Ned de Laveaga home on Miner Road, Orinda.

Elected club president was Ned de Laveaga. Charles R. Gibbs of Sleepy Hollow was chosen vice-president; Mrs. Robert Jones of Lafayette, secretary; John De Costa of Orinda, treasurer.

Committee chairmen named include Joseph Creighton, program; Mrs. Pat Small, membership; Mrs. Duane Neuenschwander, publicity.

Plans have been mapped for an intensive membership campaign, to be climaxed by a program meeting featuring entertainment of interest to all Central Contra Costa County residents.

Highlight of the Wednesday night meeting was the appearance of Max Wilcox, president of the Contra Costa County Young Republicans, who spoke regarding the local group's position in the county. state and national political structure.

Is Fish Story True?

If that fish story's true, you can be a winner in the "Largest Trout Contest," to run from this Saturday through October 31, under sponsorship of the Frontier sporting goods store on Mt. Diablo Boulevard, Lafayette. Call Don Price, Lafayette 3208, for further information.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians.

Plan Camporette For Diablo Scouts

The Spring Camporette for all Boy Scout Troops of the Diablo District of the Berkeley-Contra Costa Area Council, Boy Scouts of America, will be held at Curry Creek Park on the weekend of May 5 and 6, according to Gordon Hawkins of Walnut Creek, Boy Scout Executive for the Diablo District.

The Camporette will consist of demonstrations in Troop camping on a Patrol basis and Explorer Crew camping. Each unit to camp as efficiently as possible, competing against a fixed standard of proficiency.

The activity will take place under the direction of the Diablo District Commissioner's staff headed by Herb Merrick. Physical arrangements and Health and Safety will be headed by the Camping and Activities Committee, Russell Graff, Chairman.

A highlight of the event will be a giant campfire at 7:30 Saturday evening.

Attendance at the Camporette is a preliminary to the council-wide Camporee scheduled for May 19 and 20 at the Eastshore Park in Richmond at which over 1500 Scouts are expected to attend. The public is invited.

A Bark in Time Can Save House From Burning . . .

By LYN McKEE

Barking dogs! Bless 'em!

Not so long ago daughter Becky climbed out of her crib at dawn to look at Chloe and her four newborn kittens, all snug in a box full of clean rags. Becky decided they weren't warm enough, hauled the box onto a lighted floor heater, and went back to bed.

I was jolted from sleep by loud, stacatto barking of the two dogs, heard Beck say "'smokey, isn't it?", and mentally agreed with her, as I dashed toward the focus of commotion.

The box and rags were in flames, dangerously near becoming kindling for the whole house.

It was a relief to find that Chloe had moved all four kittens into Becky's crib. Not that kittens are a scarcity in this house — Chloe's sister, Ramona, produced six the next day. Anybody want a kitten?

P.G.&E. TAX PAYMENT

Contra Costa County property tax payments for the 1950-51 tax year completed reecntly by Pacific Gas and Electric Company total $1,851,133, W. H. Park, manager of the company's East Bay Division, announced.

WEBSTER WILSON, English teacher at Acalanes High School, has been recalled to active Navy duty. He is the first Acalanes instructor to be recalled since the Korean emergency.

— Acalanes Blueprint photo

Acalanes Girls To Be Hosts at 'Mother's Tea'

Acalanes Girls' League, a student organization comprising all the girl of the Acalanes student body, will play host to school mothers next Wednesday at the high school's 11th annual "Mother's Tea."

Highlight of the program will be a fashion parade of student girls modeling clothes of their own creation in home economics classes.

Student committee chairmen working on the program include Jody Eation, Lucille Chiavinni, Chris Inman-Kane, Beth Pendleton, Judy Lee, Marge Blankenship, Ann Pendleton and Elaine Stott. Miss Lily Lahti, dean of girls, and home economics instructors Miss Helen Peterson and Mrs. Shirley Frazier are faculty supervisors.

The program will include numbers by the Girls' Modern Dance Troupe, directed by Miss Millicent Hamburger, and the Girls' Chorus, directed by Oscar Busch.

Last year nearly 1,000 mothers attended the tea.

Need Hydra-Dollars For Cancer Crusade!

An Editorial

Scientists studying the mystery of biological growth have performed an amazing experiment with a small marine creature called a hydra. Several hydras are ground up and poured into a mold and a few days later, there appear four hydras, perfectly healthy and active.

Actually you can chop up as many as 10 or 20 tiny hydras or as few as five large ones but as long as the while mixture is one cubic millimeter of tissue, you'll get just exactly four of the little creatures.

This is interesting; it may prove important. Fascinating as it is, it is just one of the many leads to cancer control that are being developed in laboratories throughout the United States.

The whole problem of cancer control can be likened to the hydra experiment. The American Cancer Society, which is now conducting its 1951 Cancer Crusade, can get exactly as much return for its efforts as it puts into the problem.

No matter how many givers are involved at least $14,565,000 must be raised nationally to carry on research, education to save lives now and service to the cancer patients during the coming year.

We must furnish the hydra-dollars that power the great crusade to save human life. Guard those you love. Give to Conquer Cancer.

Those cancer drive cans distributed by the new Contra Costa County Branch of the American Cancer Society are waiting for your contribution to this crusade. And contributions can be sent to the local unit chairman—in Lafayette, Mrs. W. W. Ornduff, 1168 Upper Happy Valley Road; in Orinda, Mrs. John L. Gompertz, 1 Haciendas Road.

Cap Sandford Sez:

THIS IS ABOUT RADIO ANNOUNCERS and us poor fish who sometimes think we have to listen to them.

Let us consider the nit-wit who goes like this: Yum-tum-tum-tat--tat-buy somebody's tiddle-tut-top-tigh-toh! Or the guys who come on amidst whistles, grunts, bleats and goatlike blats. Or the ones who are making telephone enquiries, asking questions of busy housewives and giving away valuable prizes to persons giving correct answers.

Now here is what I dread. Are we becoming a nation of blithering morons to listen complacently to all this idiotic tripe?

It is no wonder to me that Joe Stalin looks upon us with silent contempt. Where are we headed for? sez I.

IF PRESIDENT TRUMAN ever launches off on a nose-punching expedition such as he boasts about, I hope he drops in on me.

I think it would do a very great deal of good to both of us.

Cancer Control Month Proclaimed

Governor Earl Warren has asked Californians to contribute generously to the American Cancer Society's annual April Crusade as a means of saving the lives of thousands of Californians annually.

In a proclamation declaring April to be Cancer Control Month in California, Governor Warren declared that nearly "15,000 Californians died of cancer last year and that medical experts tell us that approximately 5,000 of them could be alive today if the disease had been detected in time."

The remainder of the proclamation declares:

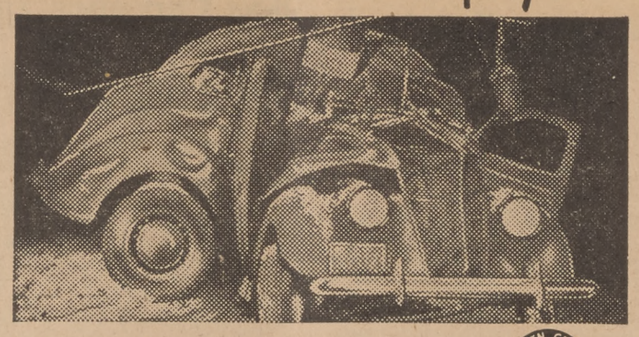
"This is a terrible toll of unnecessary death in a state and a nation that have made such great progress in recent years in counteracting the ravages of disease. It means that greater attention on the part of all of us to the symptoms of cancer will pay dividends in reducing the toll of this disease which is now responsible for one of every seven deaths.

"The American Cancer Society, through funds contributed by the public, conducts a double-barreled attack on this dread killer — an extensive research program and also a widespread educational program to acquaint the public with the need of recognizing the danger signals of cancer. In the interest of finding a cancer precentive or cure, the Society spent $17,000,000 of its budget for research purposes. Part of this was allocated to universities in our own state for cancer projects.

"Because of the importance of insuring the continuation of research and experimentation and bringing about greater public awareness of the symptoms of cancer and the importance of early treatment, I, Earl Warren, Governor of California, do hereby proclaim the month of April, 1951, as Cancer Control Month in California. I urge the people of California to contribute generously during this month for the support of the important programs of the American Cancer Society."

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

Here lies the life of the party!



In the midst of merrymaking it's easy to forget how often "one more drink" leads to one more traffic fatality. *If you drink, don't drive... if you drive, don't drink.*

Be Careful—the life you save may be your own!

GREEN CROSS FOR SAFETY

Letters To The Editor

Dear Editor:

While General MacArthur is unquestionably the most brilliant military commander in history, his removal is not so important so far as the general himself is concerned.

What is important to America is its effect on the dominance of communism in the world.

M. M. GARRETT

Dear Editor:

Mrs. Donn Court has just sent me clippings of the account of the visit of the blood-mobile to Lafayette during January.

This was a very satisfactory visit, of which we are all proud. I am sure that part of the credit goes to the fine publicity and cooperation that the **SUN** gave to Mrs. Court's recruitment committee of the Red Cross.

We appreciate this support and look forward to many more successful visits in the near future.

SAM T. GIBSON, M. D.
Associate Medical Director
National Blood Program

Dear Editor:

Thank you for your note about my son Marshall Dutton in your April 6 issue. And since this is the second time reference has been made in your paper about Marshall's residing in Seattle I'd like to correct.

Marshall resides in Lafayette at his home in Happy Valley. He is in Seattle attending Lakeside School. The occasion for his being in Lafayette recently was due to spring vacation. He will return home the first week in June and start job-hunting.

HARRY JOHN DUTTON

Old Motion Pictures At Town Hall May 4-5

A half-century of motion pictures, starting with the first feature film (two reels!), Edison's "The Great Train Robbery," produced in 1903, will be presented in the "Keystone Flickers" show at Lafayette Town Hall Friday and Saturday nights, May 4 and 5, 8 p.m.

Excerpts from D. W. Griffith's "Birth of a Nation," Theda Bara in "Mystery Woman," Charles Chaplin and Marie Dressler in "Tillie's Punctured Romance" and Douglas Fairbanks, Sr., in "The Americano" will be on the bill.

Public Health Association Names Officers

James D. Ryan, manager, American Trust Company, Martinez, was re-elected president of the Board of Directors, Contra Costa Public Health Association, at their annual meeting at Paul's Place, Martinez, recently. Oother officers also re-elected were: Mrs. R. J. Martyr, Pittsburg, First Vice-President; Mrs. George Vurek, Orinda, Second Vice-President; Marion M. Snodgrass, Richmond, Secretary; E. C. Gunderson, Martinez, Treasurer.

The following list of Directors of the Contra Costa Public Health Association for this area includes persons newly elected, those re-elected and those whose terms do not expire until 1952: Canyon, Mrs. George Chessum, Mrs. Paul Foster, Mrs. Robert O'Neil, Jr.; Lafayette, Neill C. Cornwall, Theodore H. Lassagne, H. T. Nies; and Orinda, L. L. Farrar, D.D.S., E. J. Phair, Mrs. Ernest Spiegl, Mrs. George Vurek.

In his report to the Board, Ryan said: "We exist as a voluntary association primarily to aid in the control of tuberculosis. During the past year we appropriated to Tuberculosis Medical Research in California, in memory of Ford Higby; purchased a fluoroscope for the new chest diseases wing at the County Hospital; shared in the rehabilitation program of the Weimar Council, and participated in the routine case finding program shared with the two health departments.

"**THE ASSOCIATION** has participated to the fullest extent in the mass chest x-ray survey just completed, with Christmas Seal funds, staff workers and Board members. We feel our share in this program was a very large one."

Reporting on the Annual Convention of the California Tuberculosis and Health Association held the week previously in Sacramento, Ryan read the following letter from one of Contra Costa's delegates: "As a volunteer worker I attended the State Convention from a sense of duty and left with a feeling of reluctance and the knowledge that I had just completed one of the important experiences of my life.

"**THE EXTREME** simplicity with which a comprehensive survey of distinct but closely related problems, organizations and procedures was presented resulted in my having the picture of a singularly efficient organization.

Martinez Merry-Go-Round

'Contrary to Democracy,' Board Calls New Congressional District Measure

The Assembly reapportionment measure linking Contra Costa and Solano Counties in a congressional district is characterized by the Board of Supervisors as "a lack of statesmanship and a resort to politics that is not worthy of the legislators of this state."

The supervisors in a unanimous resolution charge that the reapportionment plan is "contrary to the basic principles of representative government and of our great democracy."

Pointing out that Contra Costa is the fifth largest county in California, according to the 1950 census, the supervisors urge that it be given congressional representation independent of other counties.

$125,700 ROAD MAINTENANCE DEFICIT

Faced by a road maintenance fund deficit of $125,700, the Board of Supervisors has approved the transfer of $127,380 from capital expenses for improvement of county roads over to maintenance.

County Surveyor Joseph Barkley told board members that the deficit is in Supervisorial Districts 1, 2, 3 and 4.

Of the deficit, $46,150 is in District 2, which includes Danville, Lafayette and Orinda, Barkley said.

DISCUSS COURT REORGANIZATION MONDAY

The supervisors will confer informally with the district attorney next Monday morning on legal aspects of the proposed reorganization of inferior courts in the county, under the law approved last November by the voters

Recommendations for court reorganization, filed in recent weeks with the supervisors, range from the State Judicial Council's proposal that three municipal court districts be formed in the county, one at Richmond, one for Martinez and Concord, and one for Pittsburg and Antioch, with resultant elimination of several existing justice courts, to the recommendation for one municipal court district — that at Richmond — with all other justice courts retained as is.

Fleager Advocates County Officer

Experinces of a consequential number of California counties and cities show that an administrative officer pays dividends in economies, in service and in actual execution of the will of the governing agency, Clarence Fleager, president of the Contra Costa County Taxpayers' Association, said in connection with an association program seeking provision of a Contra Costa County administrative officer.

The association intends to make formal request of the Board of Supervisors to provide such an officer after submitting supporting data. In the meantime, it is engaged in a public informative campaign.

"Association investigations," Fleager said, "show that in a number of counties stringent tax situations led to provision of administrative officers and that such provision was followed by economies, improved services and greatly improved administration of supervisorial determinations."

The association is submitting its charter and non-charter counties have administrative officials and that in both salutory results are noted. The association points to the fact that some counties provided administrative officers when their assessed valuations were far less than Contra Costa's present $303,000,000 and when their business, problems and service demands were far less.

SOCIAL SECURITY

Regularly employed farm workers and household employees who came under Social Security this year need social security account number cards.

SHOPPING AROUND with Nancy

ONE OF THE NICEST THINGS about **WHITTEMORE TRAVEL SERVICE,** Walnut Creek, is that it is a "One Stop Shopping Center." With just one telephone call or visit to their office you can get information, tickets, folders, — reservations for air, steamship, train, bus or even for a mule trip — for resorts, hotels, cottages, children's summer camps or schools, near home or any place in the world. You'll find world-wide travel facilities — at the one stop — for your convenience. Just call W. C. 4414 or drop by the office.

— WHITTEMORE TRAVEL SERVICE

NOT ONLY THAT MOMENTOUS and so-important first shoe, but successive pairs that fit his feet step-by-step as he grows, are an essential part of your child's well-being. That's why SUTTON'S SHOE SHOPPE, Lafayette, specializes in such good lines of nationally advertised infants' and children's shoes. And that's why they take such conscientious care in the expert fitting, to see that your youngster has exactly the footwear he needs. High shoes, oxfords and sandals, in all colors, are perfectly fitted by experts.

— SUTTON'S SHOE SHOPPE

BARGAINS YOU WON'T WANT TO MISS are offered by **MARZEL'S,** Lafayette, in their current clearance sale. Included in the many specials from regular stock are better dresses, originally priced up to $39.95, at one-third off. You'll find summer cotton frocks at great reductions, too, as well as a selection of famous make lingerie and housecoats, all in a wide range of sizes. Nationally advertised brands of hosiery, 15-denier, 51-gauge, regularly priced at $1.65 and $1.95, on special at $1.00.

— MARZEL'S

YOU'LL HAVE HOURS OF LEISURE enjoyment when you invest in the new furniture that is heralding the approach of warm weather and restful times, at REDWOOD VILLAGE, that next-door supplement to LAFAYETTE FURNITURE. There are redwood table and bench sets for barbecue meals in your patio; serving carts and coffee tables for summer hostess duties; chaise lounges for idle hours, as well as lawn swings, umbrellas and various types of chairs, just coaxing you to relax in your place in the sun. Visit Redwood Village and see these and many other pieces ready for your selection.

— LAFAYETTE FURNITURE

IT'S SHEER PLEASURE to choose from the outstanding selection of dainty summer sheers that are among the new arrivals at **THE FABRIC CENTER,** Walnut Creek. Wrinkleless, washable sheer voiles, the cool and dainty fabric that is so ideal for "picture pretty" frocks, are here in printed and variety patterns. There's Puckersheer, too, the sanforized washable fabric in solid colors and prints, that needs no ironing. Newest of all, the bordered eyelet embroidered organdy, a fashion sensation you'll find at The Fabric Center, one-stop sewing needs headquarters.

— THE FABRIC CENTER

HAVE YOU ENOUGH BOTANY YARN to finish the knitted garment you may have started? If not, you now have the opportunity to get enough to complete your dress with arrival of a new shipment at EMMA LEE'S KNIT SHOP, Lafayette. Since wool yarns are especially difficult to get, Emma Lee's considers itself especially fortunate in having the Botany yarns in all the colors they had previously stocked.

— EMMA LEE'S

GENERAL DOUGLAS MACARTHUR'S recent speech before the United States Congress is undoubtedly an historical masterpiece you will want to remember, and you can have your permanent record of the event through the foresight of the major phonograph recording companies. Orders for records of the speech, available in three speeds, are being taken now at **CAMPANA'S MUSIC STUDIO,** Lafayette, to be filled very soon. Telephone Lafayette 4624 and have them reserve one for you, or stop and place your order.

Perfect Weather Helps Dogs Give Top Performances at Diablo Club's Trial

By LYNN McKEE

THE WEATHER MAN sandwiched in a beautiful Sunday, between two gloomy days, for the Obedience Trial of the Mt. Diablo Dog Club last weekend.

It was perfect for the working of dogs, and many of the 100-plus entries turned in outstanding performances.

Everything clicked along like clock-work at the Walnut Creek City Park, and judging was completed before 5 o'clock.

TOP SCORE of the trial was handed out by Judge Albert Wahl, in Novice Class B. A Doberman, appropriately named High 'N Mighty, owned by Gary M. Freitas of San Bruno, made the amazing score of 199 out of a possible 200.

Another Dobie to put on a fine performance was Hawkin's Stepper v. Palanka, owned by Joe Simpson of Lafayette. Stepper earned a 195 score in Open B, and placed second in this class.

With a score just one point higher, Hytone O' the Pict's, a Sheltie owned by Dr. E. N. Gregg of Richmond, won first in this class, as well as first in Utility. This entitled Dr. Gregg to the Mt. Diablo Club's special trophy for highest combined score in these two events.

He also won a second leg on the Forever Kennels Charlotte Sibley Trophy, valued at $100, which will go permanently to the owner of high scoring dog in Open B for three years.

WALT WILLIAMS of Orinda was awarded the Wunderling Trophy for the highest score made by a boy handler under 18 years of age in Novice A. His dog is an American Cocker Spaniel named Madcap Michael Murphy.

Barbara Lewis showed her Great Dane, Viking, in Novice B and earned the last leg on a C.D. by getting a qualifying score.

Marney Show Girl, a Standard Poodle owned by Marney Kennels in Lafayette, received a green ribbon, indicating a qualifying score in Novice A.

Lexington's Solidary, a Boxer owned by George Wooley of Walnut Creek and handled by Joe Simpson, tied for fourth place in Novice B with a score of 191½.

At this trial, two innovations were tried, which seemed to please those who participated. First of all, the exhibitors were all entitled to free programs. Secondly, special green ribbons were awarded to all handlers whose dogs received a qualifying score.

FOLLOWING the trial, the judges and club members gathered at the home of Mr. and Mrs. Bruce Burchard, owners of the Collie Crag Kennels, for cocktails, and for pleasant rehashing of the day's events.

Then the party moved on to El Nido for a banquet, which rounded out the busy day.

COMING UP NEXT is the Obedience Trial of the Oakland Dog Training Club, to be held May 20.

And on June 17, the Contra Costa County Kennel Club All Breed Show and Obedience Trial will be held in Pittsburg.

A NEW and fascinating booklet is out, compiled by the Gaines Research Center, called "A Name to Fit Your Dog," which is free for the asking.

It gives many suggestions for the naming of dogs according to the national origin of the breed. For instance, it lists Scotch words and their meanings for terriers, water spaniels and wolfhounds of that origin; and French for such breeds as the Poodle and the Schipperke..

Also, names are suggested which are based on the color of different dogs. And there are good ideas about the naming of litters, too.

If this interests you, write to the Gaines Dog Research Center, 250 Park Avenue, New York City, and they will be glad to send you one.

Do you realize how much it costs when you go through the Tunnel to shop?

Hi-Lites on Hi-Life

By DON and DONNA

LAST ISSUE a Top Ten Teachers contest was started. This week is the second and last week of the contest.

Again repeating the ones you may vote for, they are as follows:

1. — The man and woman teacher with the best sense of humor.

2. — The man and woman teacher who make their subject the most interesting.

3. — The man and woman teacher who teach their students the most.

4. — The man and woman teacher who are the most patient.

5. — The man and woman teacher who are the best all-around teachers.

For voting, mail your vote in on a penny post card to this column in care of this paper.

Last week this column said that you could leave your vote in a ballot box right at school. That's off! The higher-ups have decided that a ten top teachers contest would be very bad.

Now I ask you, does this make sense? We all agree that the entire faculty at Acalanes is one of the best in the country, perhaps the best.

So what is wrong with a contest to find the best of the best and give them an additional pat on the back?

THE SENIORS recently had to miss MacArthur's radio address because they had to suffer through a practice Subject A examination.

What's worse is that all of those seniors who plan to attend the University of California next year will be taking a real Subject A exam at Cal in mid-May.

NEEDLESS to say, nothing more has been done on the telephone-moving situation. As usual, everyone sits around and says fine, it's a swell idea and does nothing more about it. (Oh well, human nature.)

The mural in the library patio is at last taking shape. Each day a few dabs here and there are added. It probably won't be long now until it will all be finished and we can admire it.

The whole student body saw "The Acalanes Story" Monday. However amusing it seemed, everyone was willing to admit that Mr. Twining had done an excellent job.

Bachelors Gather

Several score Eastbay members of the San Francisco Bachelors took part in the annual festivities of the social organization at the Palace Hotel, San Francisco, recently. Horace Booth of Lafayette and William Morrish of Orinda are among the members from this side of the bay.

Navajo Indian Movie Showing

Colored movies of Navajo Indians on the Monument Valley reservation will be shown next Friday night, May 4, 8 p.m., at the Friends Memorial Church, 2402 Fulton Street, at Channing Way, Berkeley.

Showing of the film is sponsored by the Friends Service Indian Committee for Northern California, of which George Vurek of Orinda is a member. This will be the only presentation in the Bay Area.

There will be no admission charge, but contributions will be accepted. Purpose of the showing is to help finance visits of 15 Indian children from the reservation to Bay Area homes next summer.

Art Association To Hold Exhibit

The Diablo Art Association announced today that it will hold a non-juried show of painting, ceramics, sculpture and handicraft by its members. The exhibit will be from May 14 to May 20 at Walnut Creek.

Orinda, Lafayette, Danville, Walnut Creek, Livermore, Brentwood, Concord and Martinez will all be represented in this first all-membership show. Further information may be obtained from Frank Smith of Lafayette, chairman of the exhibit.

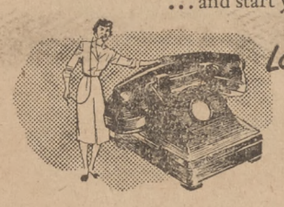
How to make good telephone service even better....

Your "information" operator is on the job to serve you . . . with numbers not listed in your directory. And smart telephone users call her only when they don't find the number they want in the telephone book. Why, they say, make two calls when one will do?

Why not keep a list of Long Distance numbers too? Wonder how many long distance users have discovered that a list of the out-of-town numbers they call can be a mighty handy thing. Saves time, you know, if you place your call by number rather than just by name and address. So, next time you call, why not jot down the number of the person you're calling when your long distance operator reports it to you ... and start your own long distance number list?



Lots of people spend lots of time designing your telephone set for both beauty and efficiency. Gadgets and attachments only clutter up its clean lines ... and perhaps impair its efficiency.

Construction of New Church Unit Well Under Way

The several hundred Orinda families who are contributing to the present Community Church construction program have been watching with interest as the work on the chapel-classroom unit progresses.

They and all others are invited to make personal inspection of the building at any time, Rev. Fred Morrow points out.

The classroom portion is now completely framed and sheathed, and plumbing has been roughed in. Chapel walls are framed, and are being prepared for the support of the heavy roof trusses. An adequate drainage system has been installed. Special attention has been paid to safety and permanence in the plans.

On the upper, or northwest side of the present church hall is the new kitchen and storeroom addition, with plumbing in process of installation. It will contain complete equipment, including range, refrigerator, dishwasher, coffee urn, pot sink and work tables, with abundance of cupboards.

Choral Work Part Of Church Service

People who attend regularly the worship of the Orinda Community Church are sometimes asked why they like to go to church, and many answer that it is the music which attracts them.

Again on Sunday, the reverent and balanced choral work, the deft direction of Margaret Popovich, and the inspiration of the organ will make the 11 o'clock morning service a "must" for those who want to get the most out of their week.

Prayer and sermon, the responsibility of the minister, will be given by Rev. Fred Morrow, whose theme for this week is "The Achievement of Poise." A cordial welcome is extended to all Orinda residents, with a special invitation to Protestants of all denominations who have not yet found a church home. Instruction hours for children and young people are 9:30 and 10:30, with child care provided during the church hour.

The junior choir will sing in the regular church services.

P.O. Asks Proposals For Hire of Vehicles

Announcement is being made that bids will be received at the office of the postmaster in Orinda until 6 p.m. May 7, 1951, for the hire of vehicles without drivers on an hourly basis for use in delivering mail in the Orinda area during the fiscal year ending June 30, 1952.

Anyone interested may obtain the necessary blank forms from the postoffice.

Mears Leave Orinda

Mr. and Mrs. Norman C. Mears who have been in California since November visiting their children and friends in Los Angeles and the Peninsula and the Ogdens in Orinda left last week for their home in St. Paul, Minn.

LEGAL NOTICE

In the Municipal Court of the City Of Oakland
County of Alameda, State of California
SUMMONS
Action No. 8753

MERCHANTS COLLECTION ASSOCIATION OF OAKLAND, in which firm name and style George B. Fink is doing business.

Plaintiff

vs.

ARTHUR F. SISTERNA, HARRIET SISTERNA, also known as MRS. ARTHUR F. SISTERNA, First Doe and Second Doe

Defendant

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

Arthur F. Sisterna, Harriet Sisterna, also known as Mrs. Arthur F. Sisterna, First Doe and Second Doe,

YOU ARE HEREBY DIRECTED TO APPEAR AND ANSWER the Complaint filed in an action brought against you by the above named Plaintiff in the MUNICIPAL COURT of the CITY OF OAKLAND, County of Alameda, State of California, within TEN days after the service on you of this Summons—if served within said County, or within thirty days if served elsewhere.

YOU ARE HEREBY NOTIFIED THAT UNLESS YOU SO APPEAR AND ANSWER as above directed, the said Plaintiff will take judgment for any money or damages demanded in the Complaint as arising upon contract, or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and seal this 17th day of November, 1950.

FRED ANDERSON
Clerk of the Municipal Court
(Seal)
By M. F. SHEEHAN
Deputy Clerk
1225 Madison Street, Oakland

O-76, Orinda Sun, March 23, 30, April 6, 13, 20, 27, May 4, 11, 18 and 25, 1951.

Tell Mrs. Arighi About That News!

You've read lots of Orinda Mothers Club news in the Orinda Sun. But maybe you don't know that Mrs. A. M. Arighi, Mothers Club publicity chairman, is also a correspondent for this newspaper, eager to write up news about people in the community.

For all such news turned in by her and published, the Mothers Club benefits financially.

So if you've been under the erroneous impression that Mrs. Arighi is interested only in general articles on the Mothers Club, phone her at Orinda 8302 and tell her about that birthday party, that wedding anniversary, that vacation trip or those guests at your home.

Letters To The Editor

Dear Editor:

May I take this opportunity to thank you for the wonderful publicity your paper gave to the Orinda drive of the American Red Cross?

For over six weeks you reminded our community of its importance and as a consequence we were able to collect a great deal more than the previous year.

I wish to thank personally through the SUN all of the people of Orinda who gave so generously and also the many workers who gave so much of their time and energy and to your very wonderful suppport in the publicity.

Our community should be very proud of its help in the national picture.

Cordially,
MRS. JEFFRESS M. RODWELL
Orinda Chairman.

Cecilia Whitby Funeral Held

Funeral services for Cecilia Tuttle Whitby, sister of Mrs. W. Sayer Snook of Orinda, were held last week at St. Clement's Episcopal Church, Berkeley. She died April 6 at her home on Woolsey Street, Berkeley.

Survivors include her widower, Frank Raymond Whitby; three children, Rel Flournoy of Berkeley, Mrs. Benjamin Campbell Jarvis of Honolulu, T.H., and Commander Frank Raymond Whitby, Jr., U.S.N.; two other sisters, Mrs. Frank W. Fitch of Boulder Creek and Mrs. Clinton G. Munson of Berkeley, a brother, Frederick P. Tuttle of Auburn and four grandchildren. The late Judge Raglan Tuttle and Charles A. Tuttle were also her brothers.

A native of Auburn, California, Mrs. Whitby was 61.

Pack 52 Trounces Pack 38 – 28 to 5

Orinda Cub Pack 52 won its fifth consecutive victory in the Diablo Cub Scout Baseball league series when it defeated Lafayette Cub Pack 38 last Saturday with a 28 to 5 score.

The team will play Moraga Cub Pack 57 team at Moraga tomorrow morning.

Shop at home — and save.

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Standard Oil Company of California for a use permit.

Said application is to modify provisions of Section 4 Subdivision C Subsection 6 of the provisions of Orindance 382 as hereafter set forth, namely: set back 3 ft. for advertising structures on 16' pole.

Property is located on the following maps which appear as Subtions 26 of Section 3 of Ordinance 382.

Brief description of property: N. E. corner of Orinda Junction intersection of Davis Road, U. S. Highway.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, May 8, 1951, 8:00 p. m.

G. F. McCORMICK, Secretary
Contra Costa County
Planning Commission

O-96, Orinda Sun, April 27, 1951.

Chit and Chat about Don and Donna

By MARY THIES

By this time, most students have gotten over the wear and tear of open house. After weeks of hard work on your project, some proud parent always asks "That's very nice, but why isn't my daughter's (or son's) report shown?" Oh well — they've got to learn the bad news about their little darling sometime.

It looks like there aren't very many superstitious people at Acalanes. This was proved by the number of couples who turned up for the Senior Extra, "Bad Luck" dance.

A FEW OF THE COUPLES from Orinda were: Elaine Ranker and Richard Rogers, Joanne Willits and Tom Tilton, Jayne Kirk and Bill Matheson, Jackie Irving and Jim Hall, Kay Goodwin and Joie Pearson, Lorraine Durante and Jack Babcock, Carol Rucker and Allan Ames, Dodie Bee and Sven Groennings, Joan Gordon and Richard Ting, Catherine Monroe and Bob Diehl, Sue Fowler and Dan Cvietusa, Marianne Summers and Mike Elvidge, Renon Hagens and Bob Keller, Judy Johnson and Bob Wallis, and Avis Hatten and Bob Winkenbach.

WHEW — HOW COULD there have been that many people at the dance, and still have the crowd that there was at the Pirate's Banquet in Walnut Creek?

Acalanes students have always gone in for the finer arts. This was proven by Renon Hagens and Tom Tilton. It seems they want to go to Alexanders in Oakland. Oh by the way — Alexanders specializes in jazz music!

At a recent Davis picnic, at Davis (what a coincidence), there were quite a few Acalanes students. Among those from Orinda were Bob Larson and Ken Ernst.

SALLY FLEAGER, a junior this year, is running for Treasurer. She has lived in Orinda all her life except for two years she spent in Washington, D.C. Working on many Junior class activities has kept her busy but she still finds time for homework and her many hobbies, which include sewing and sports. She is a member of the Acalanes Ski Club. Cal is her choice for college, where she will study household art.

If you read in the paper that the government at Sacramento is having a nervous breakdown — blame it all on Acalanes. The U. S. and California History classes have recently made a field trip to the State Capitol. There have been several trips during the past few weeks.

I guess everybody has been pretty excited about General MacArthur coming to S.F. This excitement has spread to Acalanes, judging from the number of students who went to see him when he was in town. From all reports it was very thrilling, but you were considered lucky if you emerged in one piece.

RECENTLY, THREE Acalanes students were nominated to receive gold cups as achievement awards for academic ability. Janet Chantler is receiving a cup for achievement in English, social studies and language. Congratulations Janet!

I guess most of you don't realize that there are other sports this time of the year besides track. How about having a little support for our baseball, tennis and swimming teams?

I'll be back next week with the inside dope on the "Student of the Week."

Christian Science Subject — 'Probation'

The following excerpts are from the Lesson-Sermon that will be read in all Christian Science churches this Sunday, April 29.

Subject: "Probation after Death"

Golden Text: Proverbs 21:16, 21: "The man that wandereth out of the way of understanding shall remain in the congregation of the dead . . . . He that followeth after righteousness and mercy findeth life, righteousness, and honour."

Bible citation: "I shall not die, but live, and declare the works of the Lord" (Psalms 118:17).

Correlative passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Nothing can interfere with the harmony of being nor end the existence of man in Science" (p. 427).

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of H. K. Jensen for a use permit.

Said application is to modify provisions of Section 4 Subdivision F Subsection 6 of the provisions of Ordinance 382 as hereafter set namely: to have 20' set back off both streets.

Property is located on the following maps which appear as Subsections 26 of Section 3 of Orindance 382.

Brief description of property: Lot 155 Sleepy Hollow Unit 2, at the Southwest corner of Van Ripper Lane and Irving Lane.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, May 8, 1951, 8:00 p.m.

O-97, Orinda Sun, April 27, 1951.

De Laveaga To Be Dealer At New Service Station

Well past the halfway mark in construction is the Chevron service station near the Crossroads. Ned de Laveaga of Miner Road, who has been living in Orinda since he was two, will be the dealer, and Duane Neuenschwander of Claremont Avenue has been supervising construction for Standard Oil.

The work is being done by Lewis Construction Company. The station, which will include a washrack, a grease rack and six gasoline pumps, will be between Casa Orinda and Boies and Soule.

MARINE RECRUITMENT

By virtue of the expansion of the U. S. Marine Corps, excellent apportunities are presently being offered to young college students.

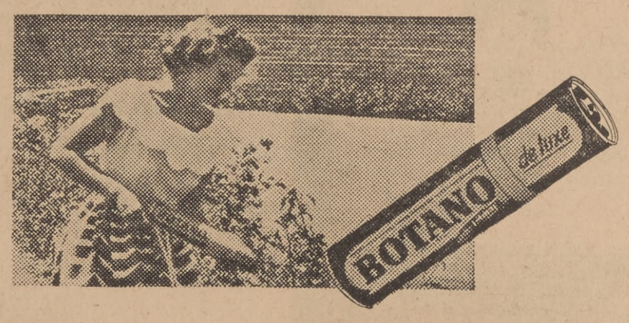
Orindans in Wedding Party in Berkeley

Two Orindans were in the wedding party of Emmy Lou Kendall and Bernard William Langan, Jr., who were married at formal rites in the University Christian church, Berkeley, Saturday evening. Pat French assisted in ushering duties and Crissie Kendall was one of the two little flower girls attending the bride.

Try this simple way to protect and fertilize your whole garden

Just two sprays—ISOTOX Garden Spray and ORTHORIX Spray give your garden full protection against most insects and plant diseases. And *they mix*. Put them together (according to directions) in your handy SPRAY-ETTE hose attachment. Then, fast as you can walk—spray and protect your whole garden from insects and plant diseases, *both!*



For the lady-gardener, here's BOTANO deluxe! In its own "pump-action" duster, this all-purpose dust provides easy control against *both* insects and plant diseases. Just carry it around in your garden basket—ready instantly to use wherever pests attack.

Young plants set out now are easy victims of hungry snails and slugs. How they love tender Delphinium, Day Lilies, Pansies, Penstemon, Asters. So scatter around a few handfuls of BUG-GETA Pellets. They're sure death to snails and besides, they save you money since they go four times farther than old-fashioned meal-type baits.

Try it—this new miracle plant food, ORTHO-GRO, easy to apply with watering can or garden hose. It's a complete fertilizer for flowers, vegetables, lawns, trees and shrubs.

ORTHO-GRO Liquid Plant Food can be used anywhere in your garden —anytime something needs fertilizing. See label for directions and use of the LAWN SPRAYER.

T.M.'S REG. U.S. PAT. OFF.: ORTHO, ISOTOX, BOTANO, BUG-GETA

Suits, slacks, jackets, coats, underwear, socks, sweaters, night clothes, layettes, bathrobes, t-shirts, sunsuits, baby gifts — everything in the store.

28 Confirmed by Bishop Karl Block

28 were presented to the Right Rev. Bishop Karl Morgan Block for confirmation at a special 4 o'clock service Sunday, April 15.

Of those confirmed, 20 were adults, five high school age and three elementary school children. Bishop Block's address was relevant, inspiring and very forceful.

Following confirmation, a dinner was held in his honor at the Orinda Country Club, with Rev. and Mrs. Frederick A. Schilling, Mr. and Mrs. George Day and Mr. and Mrs. Sherwood Y. Thatcher, guests; church officers and spouses, Dr. and Mrs. Alvin P. Wold, Dr. and Mrs. Paul Slattery, Messrs, and Mesdames Seaver Ballard, Walter Christie, Clinton Easterbrook, Clinton C. DeWitt, James A. Brown, R. E. Thies, Robert Moorehead, William Sparling and Marian Pittman. Plans were discussed for the purchase of property and the building of a church structure with parish hall.

Students Invited To Mills Ball

All high school girls who attended the student tea for prospective Mills pupils at the home of Mrs. Harry Booth on Crest View are invited to the Mills Campus April 28 to the Spring Festival from 1:00 p. m. to 12 midnight.

Paul Spiegle, program director of KNBC, will be master of ceremonies. Family entertainment and fun will be the order of the day, with a parade, coronation, and band concert to start things off.

Carnival concessions will be sponsored by students, faculty and the alumnae. Pony rides and hay rides are on the list.

A buffet supper will be held at 6:00 p. m., followed by the Cotton Ball to be held on the tennis courts.

For reservations please contact Mrs. Ben Randall, Orinda 2250. Proceeds from the Festival are for the College Centennial Fund.

Rain's Gone but Here's That Road

Complaint about the condition of Loma Linda Court in Moraga Midlands was expressed in a letter from George C. Haas to the Board of Supervisors last week.

Haas stated that the heavy rains of several months ago caused a slide in front of his home at 13 Loma Linda Court. His wife notified the county road department, he said, and the county placed posts in the area as a warning. Sewers were being installed at the time.

However, the road condition is still bad, he reported. He added that he plans to sell his home in the near future, and that he would like the road to be repaired by the county.

The matter was referred by the board to County Surveyor Joseph Barkley.

Laurel and Hardy On Bill Tomorrow

Teatro para Ninos presents for Saturday "The Dancing Masters" with Laurel and Hardy. The boys don ballet costumes and open a dancing school. Time: 1 until 3 p. m.; place: Orinda School Auditorium.

LEGAL NOTICE

NOTICE OF AWARD OF CONTRACT
(Local Improvement District No. 22)

Pursuant to statute and to the Resolution of the District Board of the Central Contra Costa Sanitary District, directing this Notice,

NOTICE IS HEREBY GIVEN, that the said District Board of the Central Contra Costa Sanitary District in open session, on the 12th day of April, 1951, publicly opened, examined and declared all sealed proposals or bids for performing the work and improvement described in Resolution of Intention No. 679 of the District Board of the Central Contra Costa Sanitary District, adopted on the 1st day of March, 1951, which Resolution of Intention is on file in the office of the Secretary of the District Board of the Central Contra Costa Sanitary District, and is hereby referred to for a description of said work and improvement and for all particulars relative to the proceedings under said Resolution of Intention; and notice is also hereby given that the District Board of the Central Contra Costa Sanitary District, thereafter on the 12th day of April, 1951, awarded the contract for said work and improvements to the lowest regular responsible bidder, to-wit:

CHARLES BURCH

at the price named in the bid for said work and improvement of said bidder, which said bid is on file in the office of the Secretary of the said District Board of the Central Contra Costa Sanitary District, and to which reference is hereby made and the attention of all persons interested is hereby directed

DATED: April 12, 1951.

H. M. SMITTEN
Secretary of the District Board of Central Contra Costa Sanitary District of Contra Costa County, State of California.

O-94, Orinda Sun, April 20, 27, 1951.

Nora Lee Rohr Jumps to Death From Gate Bridge

Mrs. Nora Lee Rohr, 16 El Rincon, Orinda, instructor at the Glen Taylor School in Walnut Creek, jumped to her death from the Golden Gate Bridge April 7. Her body was recovered a short time later.

Mrs. Rohr, 51, who had been ill with influenza for five weeks, stopped her car on the bridge during the early morning peak traffic hours, ran to the railing on the seaward side and plunged over the rail.

She left an unaddressed note in her sedan indicating she had been depressed: "Because of ill health and insufficient affection," it read, "no more can be said. Love to all. Nora Lee Rohr."

FRIENDS said Mrs. Rohr had spent a week in Permanente Hospital but had returned to her post as head of the art department at Glen Taylor School in Walnut Creek.

Mrs. Rohr was born in Sweden and came here in 1929. She had teaching credentials from the University of Munich, Germany, and had done post graduate work at Radcliff College and at San Francisco State College.

Mrs. Rohr lived at 1807 Broadway, Oakland, although she kept her Orinda cottage so she would be near Glen Taylor School.

She was outstanding in her knowledge of children and their creative efforts. Last summer she toured Europe and wrote a series of articles on the development of art among the children of European countries.

She is survived by a brother, Dr. Jeus Christiansen of Wayne, Pa.

Elkinton Takes Business Trip

A. W. Elkinton of the Philadelphia Quartz Company, Berkeley, met the sales manager from the Philadelphia plant in Los Angeles for a business conference and to show the eastern visitor some of the wonders of the Southwest.

They visited Boulder Dam, went fishing in the Virgin River, catching seven black bass of good size, and camped one night on the shore of the Colorado .

Severe cold winds made camping out an endurance test.

They visited the museum at Overton, with its marvelous Indian relics, and went on to Las Vegas, Beatty, Rhyolite and Death Valley. They stayed all night at Stove Pipe Wells. As there had been no rain, there were no wild flowers in the desert country.

Their drive took them to Lone Pine and to Mono Lake, where they spent the night. Here it was exceedingly cold. They went on to Reno, Lake Tahoe, Placerville and home—a 10-day trip covering 2,000 miles. The salesman from Philadelphia was greatly impressed.

Snake Visitor At Orinda Home

Country living is all very well and good, but Mr. and Mrs. Charles Wells of Valley Drive aren't so sure about some phases of it.

Snake in the toilet bowl, for instance.

Recently Mrs. Wells found an 18-inch water snake swamming in the bathroom toilet bowl. Obviously, the creature had taken a little trip up the water mains and through the trap.

'OAKLAND ACORN'

The "Oakland Acorn," Oakland's miniature steam train, is now running on a five-day schedule, Wednesdays through Sundays, according to J. Vendes Mann, vice president of the Board of Park Directors. Located in the Peralta Park area of Lakeside Park east of the Municipal Auditorium, the miniature railroad is in operation from 11 a.m. until 5 p.m.

DID YOUR MONEY **MAKE** MONEY LAST YEAR?

A lot of people just aren't satisfied to let their funds lie idle . . . especially these days.

They need more income. One way to get that income is to own dividend-paying shares in American corporations.

SUTRO AND COMPANY have a helpful informative booklet listing 299 stocks which have paid dividends every year from 20 to 103 years.

This booklet, "Investment Facts About Common Stocks and Cash Dividends," also contains helpful, informative explanations on how stock is purchased, what stock ownership means and many other interesting facts.

SUTRO AND COMPANY will be pleased to send you this helpful informative booklet without cost or obligation.

'BOOPS-A-DAISY' was just one of the many hilarious numbers in "Absurdia in Suburbia II," zaney and zestful variety show presented by the Orinda Mothers Club last Friday and Saturday nights at Acalanes High School auditorium. Dorothy Nickerson (left) and Gertrude Arighi demonstrate the intricate art of "boops-a-daisy," to the delight of the audience. —Tribune photo

Herbert Hauser Receives Two Honors

Herbert Hauser of 156 Moraga Highway was recently honored by his business partners for his 54 years with Sutro and Company, investment brokerage firm.

Hauser now rates as having the record of the longest continuous service of any member of a San Francisco and New York Stock Exchange firm in San Francisco.

HIS SON has also been associated with the firm for the past five years, going there upon completing his Navy service during the last war. Both serve the Orinda area for the company, working out of the San Francisco office.

Hauser, Sr., recently received another signal honor when he was given his 35-year veteran badge from the Oakland Area Council of the Boy Scouts of America.

He is a life director of the Oakland Council and has served several terms on the national board. He was the organizer of Troop 11, the oldest troop in Oakland.

AMONG RESIDENTS of Orinda who were members of this troop are Donald Hunter, Bart McMahon, Everett Howe, Tom Bacon, Dr. Herbert Wise, Dr. Kenneth Holcombe, William Henning, Robert West and Herbert Hauser, Jr. Lafayette has Henry Steinbach and Bud Evers as former members of Troop 11.

Sutro and Company, oldest investment brokerage firm on the Pacific Coast, was established in 1858 by Charles and Gustav Sutro.

Gags on Orinda Life Steal Show In Mothers Club Extravaganza

By THE REVIEWER

Were we viewing a Hollywood extravaganza?

The lights low — the music of "South Pacific" — gorgeous China Belles, Dragon Girls, Sailorettes filled the stage.

Some small voices in the audience with "Hi Daddy," "That looks like Mommy" and "Hi Mommy" reminded us where we were.

IT WAS THE Orinda Mothers Club production of "Absurdia in Suburbia II" presented at Acalanes High Friday and Saturday nights.

The Mothers Club brought in Walter J. Brough from Hollywood to direct the show and supply routines, script and costumes.

BUT IT WAS the original gags and music that stole the show.

The catchy tune "We've Got a Lot in Orinda" with music by Fred Udall and lyrics by Jackie Lee and Jean Henderson had the audience humming.

Jean Henderson, complete with expectant mother attire and baby and baby buggy, did a marvelous takeoff on Orinda life to the tune of "We've Got a Lot in Orinda." Her pantomime trying to cross the highway was perfect.

GOOD FUN and audience participation hit its peak when Bobbie Greenwood led the "Boomps-a-Daisy" chorus of Jean von Guenthner, Betty Rose, Gertrude Arighi and Dot Nickerson. Men were chosen from the audience to join in the dancing.

The Cliffords danced to the Piano Roll Blues with all the grace and stage presence of a professional couple.

FINE ENTERTAINMENT was provided by the square dancers, and the audience yelled for more after hearing "Four of a Kind" in Barbershop harmony.

Fred Udall was hilarious as he stumbled through (on purpose) a recitation of poetry.

A LOCAL GAG drew a big laugh when a medal was awarded to the man who found a deputy sheriff in Orinda at three in the morning in "For Services Rendered," starring Jack Moylan, Bill Witter and Jim Read.

In the last act, Molly Nelson, Marian Brown and Jessie Swift sang the mournful "Nobody's Chasing Me," Jim Davison gave a takeoff on commercials, Jasper Allard played the Immigrant, and Ron Anderson startled the audience dressed as a glamor gal Five Foot Two (and then some). Cooking School Prexy Joe Downs demonstrated the preparation of a horrible concoction of "Truman Pie."

The dancing and singing chorus did a good job in "No Business Like Show Business," "Precision Holiday" and "Radio."

EVERY MEMBER of the cast seemed to enjoy himself and the spirit was contagious — making the show a success. The Mothers Club deserves congratulations for putting on a fine show and for raising enough money to make the school Visual Aid Program possible.

The members of the cast, the workers behind the scenes, and the sponsors are too numerous to mention.

Mills Theater Guild Plans 2 Plays

The Mills College Guild, composed of graduate students from the Mills Drama Department, have set May 14 as a tentative date for presenting two plays in this area.

The two productions, which have received very favorable reviews in local papers, are "The Proposal" by Anton Chekov and "Fortunato" by the Brothers Quintero.

These plays are presented in an unusual way, in that the audience is seated on the stage. Watch the papers for exact place and time for this interesting production.

Three Work Days Set at Church

The second of three work days is scheduled at Orinda Community Church next Saturday, it is announced by A. W. Reid, building maintenance chairman. Current emphasis is being placed on planting and painting operations, with a call out for any one who can give a half or full day to beautifying the plant.

With the church building being used by many community groups, the volunteers are not confined to church members, Reid states. Last Saturday's labors were supervised by W. P. Mott Jr. and R. C. Hall in the landscaping department. A good turn-out is reported, with continued need for workers this week and next.

Four Hurt in Head-on Crash

A head-on collision on Mt. Diablo Boulevard a mile east of the Broadway Tunnel resulted in injury Tuesday night to two Lafayette youths and a Richmond couple.

The Lafayette youths, Robert Ford, 17, 3171 Sandwood Lane, and David Allen, 18, of Still Lane were returning from Oakland, with Ford at the wheel. The other car was occupied by Frederick Lope, 42, Richmond, and his wife, Margaret, 43. They were traveling west.

Both Ford and Allen are students at Acalanes High School. They were taken to Herrick Hospital, Berkeley, Ford suffering a back injury and Allen with a lacerated scalp.

Mr. and Mrs. Lope were taken to Albany Hospital. He sustained fractured ribs and she lacerations about the face.

A westbound car went over the embankment on the north side of Mt. Diablo Boulevard about a third of a mile west of Charles Hill Road late Tuesday afternoon.

Traffic was held up, and apparent seriousness of the accident was indicated by presence of an ambulance. However, the California Highway Patrol stated Thursday morning that it did not have the report on hand, so no details were available.

I'm Frank ...

when I say that, if you want to do something for your country and also for the Girl Scouts, be sure to take part in the scrap metal drive to be held Sunday.

Clean out the garage and basement and get rid of all that old hardware I've been selling you for years now.

Then call Mrs. Axelson at Orinda 2040, and she will see that a truck comes to pick it up.

We're open Sunday, too, so then you can come down and buy a lot of new junk to give away at the next scrap metal drive.

HAD A LITTLE chat with Godfrey, our pet gopher (no relation to our local baker). Godfrey was a sad little gopher that day, and he brought me a petition signed by all his relatives and friends, including his cousins, the moles.

Boy, has that guy got a family! (I have to keep on the right side of gophers and moles, so they will continue to have large families, so I can continue to sell you traps and poisons to catch them.)

While I read the petition he sat there picking his teeth after a fine lunch of fig tree roots — my fig tree.

It seemed that Godfrey's friends were quite upset since I have been selling so many "Maclean Methyl Bromide" dispensers. "Be a pal; give us a chance; we're too young to die," it said.

It was a sad story, and I shed a tear, maybe two, for I know too that now that the Maclean dispenser is on the market, my little pets, the gophers and moles, will be killed by thousands, instead of one at a time in traps.

When this happens the hardware business, instead of going to the dogs, will go to the gophers.

I FOLDED UP the petition and handed it back to Godfrey and told him there wasn't a thing we could do about it.

The Maclean dispenser, like my bald head, was here to stay. However, I promised to tell him how it worked, so that he might have a fighting chance, and he climbed up on my knee and looked into my bloodshot eyes and seemed very interested.

The Maclean dispenser, I told him, has a can of methyl bromide, which is packed under pressure, similar to the insect bombs so many people use. This can is attached to a valve, which has a long hose with a metal tube at the end of it.

After you find where the gopher or mole is working, you stick the metal tube down into the runway and turn the valve.

Immediately the tunnel fills up with poisonous methyl bromide gas, and it's good-bye to any gophers or moles that are near it.

Because this gas is heavier than air, it stays in the tunnel for days and remains effective for long periods.

"You can't fight, Godfrey," I told him, "This thing is bigger than both of us. You'd better move away.

Why, the Maclean dispenser sells for only $8.95, and the extra cans of bromide are only 70c and, Godfrey, you know how much damage you can do in just a few minutes.

Gosh! you can cut down a $20.00 tree and chew it up in a matter of minutes.

"Well . . so long, pal," I said, and he kissed me and slowly dug away. As he left he turned to me and said. "We'll find a nice, warm spot for you down here, Frank.

"It won't be long before everyone has a Maclean dispenser, and you'll be all alone at Orinda Hardware with a bunch of old, rusty gopher traps."

Well, (sob) that's life, and

... *I'm Frank*

Lois Bourquin '51 Director of Girl Scout Camp

Lois Bourquin of Redwood City has been secured as director for the Diablo Valley Area Girl Scout Camp, Sierra Woodland, for this coming summer. Miss Bourquin acted as counsellor for this area's first camp, which was held at Alta in 1946.

The Camp Committee has set up three sessions. The first session will be from July 10 to July 24. Second session will be July 26 to August 9. The third session will be August 13 to 27.

These dates are slightly different from those announced at the recent Council meeting, but were changed because of transportation arrangements, according to Mrs. Fred Seulberger, camp co-ordinating chairman.

In order to allow the camp director more time to work with the girls, the Camp Committee announces that they are in need of a business manager for the three sessions. Anyone desiring to apply for the position should contact Mrs. Fred Seulberger, Orinda 2297, or Mrs. C. M. Dailey, Orinda 2729, Permanent Camp Chairman, or the Scout office, Lafayette 4414.

Your Garden

Important Memo: Better Get Busy With Your Lawn While You Still Have Time!

By BERT WRIGHT

YOUR LAWN will demand attention this month.

The problem of just what to do with the front or back lawn is sometimes almost as tough as the problem of what we'd do without it. There's no branch of gardening more common than lawn tending.

All right, so we've got lawns, whether they're good ones or not. And every spring we have to "do something" about them. What we do, depends . . .

IF YOUR GRASS grows on a good fertile foundation of loamy top soil four to six inches deep; if it sprang from good seed, properly planted and regularly tended, is free of sod web worm and is not covered with weeds — if all these, then you've got a pretty good lawn.

If it looked lagging and rather sere in March, then it should be the alternate in May. So your chief chore now is to supply a real ration of complete balanced plant food.

THE RULES on the manufacturer's package should be followed. Generally, commercial fertilizer is applied at the rate of four to five pounds per 100 square feet of lawn. If you lack a fertilizer spreader of your own, rent or borrow one from your nurseryman.

Choose, if possible, a still day when the ground is dry. After fertilizer is applied, water in well to avoid any possible buring of grass. Never fertilize when lawn is tall. Always cut grass and apply fertilizer immediately after.

This procedure should be followed every two months or so, depending on the fertility of the original soil.

IF BROWN PATCHES are beginning to appear in the lawn, it's time to investigate. With dead patches that are neither too big nor too numerous, the problem may not be serious. Crab grass or weeds eliminated last year would leave such spots. So, too, would the work of beetle grubs or sod web worm.

If the grass roots seem to have been eaten just below the surface, or if you find, in digging, considerable numbers of gray worms, arsenate of lead (10 pounds per 1,000 square feet) will be called for this month.

WHEN THE WEATHER really gets warm, choose a sunny noon and examine suspicious spots. If you find small red "infants" or dirty looking "adults" scurrying about, a good dose of nicotine will eradicate them. They must be hit to be killed.

Good, healthy lawn grass, given a head start, will effectively choke out weeds.

When seeding new lawns this month, be sure and apply the commercial fertilizer to the soil before seeding. This step will defenitely save you hours and hours of weeding.

SO RIGHT NOW your problem is the stimulation of good grass and the resowing of the bare spots.

If your lawn was chiefly weeds and dirt last fall, then the answer is simple. You need a new lawn.

If the case for growing grass is definitely hopeless, then don't grow grass at all. There are many types of ground covers that will suffice where lawn won't.

THERE ARE FOUR states a lawn might be in at this time of the year — good, spotty, lousy, hopeless (strong words, some of these, but the kind you use).

There are all sorts of conditions in between, but that merely makes your job a little harder or easier.

Take a quick look out the window at your lawn, and get busy now while there's still time.

Food Places Must File Their Price Statements Now

Owners and operators of public eating places and retail stores selling food products must file price statements with the Office of Price Stabilization before the end of this month, Homer F. Potter, district director, warns.

Failure to file price statements will seriously cripple the Government's price control program, he said.

Grocers, delicatessens, and all other types of stores selling food products have until April 28 to file their statements with the District Office at 1417 Clay Street, Oakland. The deadline was set in Ceiling Price Regulation Nos. 15 and 16 which cover the sale of retail food products.

Restaurants, taverns, hotels serving food in dining rooms and rooms, and all other types of public eating establishments, including guest houses and hot dog stands, must have their statements in the District Office by April 30. The date was prescribed by Ceiling Price Regulation No. 11 which covers public eating places.

Crombie to Talk To Garden Club

Mount Diablo Men's Garden Club will hold its regular monthly meeting next Monday evening at Planters Dock.

Jim Crombie, widely known authority on roses, will be the featured speaker, illustrating his talk with colored slides of European rose gardens.

George Conner, club president, announces that a question and answer period will follow, after which prizes will be awarded by Joe Linsler.

Elizabeth Green at Child Welfare Confab

Elizabeth Green, administrative secretary of the Mt. Diablo Child Therapy Center, attended the South Pacific Regional Conference of the Child Welfare League of America last week at Huntington Hotel, Pasadena.

At the conference she attended a special institute on professional aspects of administration in children's agencies.

Diamond K Sez . . .

WITH DAYLIGHT saving time going into effect Sunday and the days growing longer you will find yourselves more conscious of the joys of outdoor living. With days longer and more daylight hours to spend around the home, now would be a good time to put in a patio.

With careful planning you would be surprised how inexpensively you can build a pleasant, comfortable patio. At Diamond K you will find booklets and pamphlets readily available to help you with your pattern ideas and someone is always available to discuss your particular problem. Please feel free to stop by at anytime.

DURING the SPRING and summer new lawns and gardens combined with dogs offer quite a problem. Diamond K has a wide variety of fencing for you to choose from. We carry everything from chicken wire, bed border, and plain wire, fence in various heights.

We also have the very versatile "utility fence" which is lathes interwoven with wire. The utility fence is especially handy in that it can be used for fencing certain areas temporarily and can be rolled up and stored in the garage when not in use. Of course, we have a full stock of split redwood products such as: grapestakes, rails and posts.

DON'T FORGET, this is the week of the California Spring Garden Show at the Oakland Auditorium. It opens Friday and runs through May 4. Hope to see you all there.

Sports Action by Dons Each Day Next Week

Acalanes athletes have another busy week ahead, and every day finds an event of one team or another on tap.

On Monday the Dons play host to the Modesto swimmers, and it should be another win for the local team, as it defeated Modesto two weeks ago in Modesto's own pool.

THE JUNIOR VARSITY baseball team travels to Richmond Tuesday for a return engagement, and has its hands full inasmuch as the first meeting resulted in a 16-1 loss. Richard Ting is slated to do the mound duties, with Sam Indelicato in reserve.

On Wednesday Emeryville meets up with the Varsity Reserve baseball team on the local diamond. Rick Johnson is slated to be on the mound for the Dons.

Thursday finds the County track meet taking place at Acalanes.

THE DONS are the favorites for the county title on the basis of their outstanding practice record to date.

The Dons' Bee tracksters also loom as strong contenders, with Diablo furnishing the main opposition.

TENNIS has a big week. Dons rate as heavy favorites in the county meet to be held on Saturday, May 5, at Diablo and also in a meet with San Rafael on Thursday.

The Don racqueteers are undefeated in county circles and are expected to emerge as county champs.

THE GOLF TEAM meets up with San Francisco's Lowell High and appears to have an even chance for a week on the Orinda links, with such swingers as Mike Elvidge and Jack Stoeffel leading the way.

The Varsity baseball nine tries for a comeback against an improving Antioch team at Antioch next Friday night, May 4.

Antioch is considered a favorite in view of its 12-2 upset of Diablo, a team to which the Dons lost 6-1 in the opener of the league season.

JV in 13-9 Win Over Pittsburg

The Acalanes Junior Varsity baseball team overcame the elements and the opposition Tuesday afternoon to win 13-9 over the Pittsburg Junior High nine at the Don field.

The Dons registered three in the first, two in the second and eight in the third, while Pitt managed to score one in the second, four in the third, one in the fourth and three in the seventh.

DICK OLCOTT started on the mound for the Dons and was doing all right until the third, when loss of control got him in hot water and Coach Brown rushed Rick Johnson to the rescue. Rick went the rest of the way.

It's 6 Straight For Don Tennis!

The Acalanes tennis team scored another victory Wednesday when Bob Wallis, Norm Parsons and Howard Flanders registered wins in the singles. Alhambra High won both doubles matches, and the final score gave the Dons a 3-2 win.

The win kept the Acalanes team in the undefeated column in county league play, with six wins and no losses.

Matches and scores in the Alhambra contest Wednesday on the Acalanes courts were:

Wallis defeated Gallagher 6-1, 6-0.
Parsons defeated Biscio 6-1, 6-1.
Flanders defeated Linvill 6-0, 6-0.
Bentley - Gray (Acalanes) lost to Drenner - Carpenter 4-6, 6-1, 6-1.
Tod - Mailho (Acalanes) lost to Nelson - Ascastigo 6-2, 7-5.

Cubs' Baseball League Standings

Diablo Area Cub Baseball League team standings are as follows to date:

Pack	Won	Lost
Orinda 52	5	0
Pleasant Hill 58	5	0
Ygnacio Valley 46	4	1
Walnut Creek 59	4	1
Pleasant Hill 45	3	2
Danville 36	2	3
Lafayette 38	2	3
Walnut Creek 6	2	3
Orinda 32	1	4
Moraga 57	1	4
Walnut Creek 43	1	4
Alamo 53	0	5

Sideline Slants

Climax of Track Season Next Friday With County Meet Set for Don Field

By ERWIN MATTSON

Acalanes' track team plays host to the rest of Contra Costa County next Friday, May 4, when the county meet will be held on the local field.

Several hundred athletes will be on hand, although the number will be cut down since trials in certain events will be held at Mt. Diablo Tuesday.

Trials are to be staged in the hundred, two-twenty, low and high hurdles and the 440-yard dash in the Varsity events.

In the Bees the elimination will be held in the seventy-five, one fifty and low hurdle races.

QUALIFICATION trials are being held for the first time in order to cut down on the number of heats necessary on the final day.

It makes it easier on the athlete and enables the finals to be run off in better time.

The fact that trials are necessary is another indication of the county's rapid growth.

ACALANES has just purchased a set of the very latest in the way of hurdles, and it is hoped they will arrive in time for the meet.

The hurdles are of the latest design, with the framework of an aluminum alloy and wooden crossbar. They are so constructed that they right themselves when tipped, due to a series of counterweights.

Each hurdle is adjustable to three different heights. The first height is that of a low hurdle, the next of a high school high hurdle and the final adjustment rests at the collegiate high hurdle mark, which is three inches above the prep school.

PLANS are under way to stage a track meet involving faculty members, to raise funds for film in order to take pictures of the county meet in color.

Faculty member Wilbur Twining has agreed to be on the business end of the camera.

Twining's latest production was in connection with "The Acalanes Story," a film depicting the last five years of Acalanes.

THE BLOCK A Society has plans to purchase a camera as a permanent part of the school's equipment and to take movies of various events.

Movies of football in particular have tremendous value from a coaching point of view. Plays can be run over and over for a thorough diagnosis in a way that no other medium can be used.

The cost of filming various events could be covered by a small charge for showing them at scheduled times.

IT'S AMAZING to realize that spring sports are about at an end, with county meets approaching in swimming and tennis, along with track, and the final games of baseball not far off.

Athletes have had a difficult time, with lots of cool weather.

A bit of sunshine and warm weather the next two weeks could find the athletes rising to heights and setting a number of new marks.

SPORTS

Dons Edged 1-0 By Emeryville In Varsity Game

Acalanes' baseball Varsity traveled to Emeryville Tuesday afternoon, and when it was all over in the fast time of one hour and 15 minutes the score book showed Emeryville out in front, 1-0.

The Acalanes nine started off with a bang in the first inning when, with two down, Bob Fox and Jerry Macauley hit successive singles.

BUT THE RALLY was short-lived. Bob Winkenbach went down swinging on the third strike.

The Dons hit the ball in the remaining innings but were only able to get another single in the sixth when John Bowron singled.

BOB WESTLUND took care of the mound chores for the Dons and gave up but two hits over the route while striking out 12 and picking off an over-anxious runner at first.

The one and only run of the game came in the third when Emeryville's third baseman, Jack Gonzalves, got a single, went to second when he advanced on Jerry Grisso's blooper which was barely missed by Jerry Macauley in center field.

IT WAS AT THIS point that Milo Luna hit a drive to right field, which appeared to be a dead out, but the applecart was upset when Dick Fey bobbled the ball in attempting to make a quick throw.

Gonzalves rambled across the home platter

Dons Get Short End of 5-1 Tiff

The Acalanes Varsity nine suffered another setback at the hands of invading John Swett last Friday afternoon on the local diamond.

Joel Heckman, ace John Swett chucker, set them down with seven hits and one run while his teammates ended up with six hits and five runs.

BIG BOB Borghesani did the mound duties for Acalanes, hurling the first five innings right-handed and switching to his left for the sixth and seventh.

Three runs in the third on three hits, along with a run in the first and fifth, proved to be enough for a win.

THE DONS could muster but a single run in the seventh, when John Bowron came home after reaching first on an error, advancing on Gregg Williams' single to right and coming in on Mike Klement's single down the third base line.

The loss was the second in league play, as against one win, with three to go.

LABORER EXAMINATION

The Board of U. S. Civil Service Examiners, Mare Island Naval Shipyard, Vallejo, California, has announced a civil service examination for Laborer. Applications will be accepted until further notice.

Junior Varsity Trims San Ramon To Tune of 10-3

nine hacked up another win when it took the measure of San Ramon High at the Danville field Wednesday afternoon with a 10-3 score.

Sammy Indelicato did the throwing for Acalanes and gave up but one hit before being relieved by Doug Parks in the seventh.

Bob Champlain, frosh catcher, did a bang-up job behind the plate, besides getting two doubles.

Bedlingtons Win At San Jose Show

Mrs. Marjorie Hanson's Cory of Rowanoaks was the Winner's Bitch, with five points under, in the Bedlington Specialty at the recent San Jose Dog Show.

Mrs. Hanson also won first in American Bred Bitch Class with her Pago's Powder Puff of Valgo, CD, and first in Novice Bitches with Acacia Lodge Blue Enchantress belonging to Mr. and Mrs. Everette of Richelieu, Canada.

Sammy of Balestreri, owned by Mrs. Frances Balestreri, won First in Breed by Exhibitor Dogs, while Frosty of Rowanoaks, owned by Mrs. Paul Willemsen of Stirling, N. J., was third in Open Dogs.

All five Bedlingtons were shown at the San Jose show by Mrs. Hanson of the Valgo Kennels.

Legion 9 Wins In 7-0 Shutout Against Danville

The Legion-sponsored Lafayette team really went to bat against the Danville Youth Center last Saturday afternoon, to account for seven runs while Pitchers Rick Johnson and Sammy Indelicato set the opposition down without a run.

Johnson went the first four frames while Indelicato took over to finish the final three.

RICHARD MUNN, shortstop, was the hitting ace, getting a single and triple along with two walks, for a perfect day at bat.

Andy Monsen, catcher, had a triple, single and walk to account for three trips to the plate.

Tomorrow morning the Lafayette nine meets up with the Concord Indians, with game time set for 10 o'clock.

THE INDIANS are currently tied with Avon for the league lead.

A Lafayette win would bounce them into a tie with Avon for the top spot, making the next week's Avon-Lafayette encounter a natural.

Double Trimming Given Diablo by Don Cinder Teams

The Don track teams gave Mt. Diablo a thumping when they met up in a track meet last Friday afternoon at Concord.

The Varsity had a relatively easy time posting a 75-40 win, while the Bee team of Coach Bob Lord came through with flying colors, 57-1/3 to 46-2/3.

NEW SCHOOL records were set when Bill Cooper skimmed the hurdles in 14.4, while John Hansard went 19 feet, 7 inches in the broad jump and Bill Barnett hit the heights at 10 feet, 7½ inches in the pole vault.

In the Varsity meet, Darrell Crossman set new marks when he reeled off the hundred and two-twenty in the fast times of 10.2 and 22.5 respectively.

JIM POWERS high-jumped 5 feet, 10 inches for a new meet mark, while Diablo's Paul Egbert went 20 feet, 9 inches for a new broad jump mark.

Comfort
is when You don't feel anything!

Most folks think of comfort as a state of repose—a kind of wonderful process that supports you everywhere but touches you nowhere. Actually, it's the little things you *don't* feel that make you comfortable.

Chair Cars on Southern Pacific's modern streamliners have been built with this thought—*your comfort*—the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms.

That's why Chair Cars on Southern Pacific streamliners are the most luxurious form of all low-cost transportation.

The Happy Country Folk

Spring, colds in the head, poison oak, ranunculus and people taking trips seem to be the order of the day for the happy country folk of Orinda and Lafayette.

The most exciting one we heard about was the journey recently taken by the WOODBURN K. LAMBS to Acapulco. Evie caught a 90-pound marlin which, to our way of thinking, was fabulous — being more the minnow type ourselves.

MRS. FRANK FEE has gone galavanting off to Mazatlan where she will play golf, sight-see at the sugar plantations and get some pointers on night spear fishing while visiting friends in La Paz in Lower California.

MR. AND MRS. NORMAN KREY, newcomers to Orinda from the great Northwest, had a hurried trip to Spokane where Krey visited their daughter in the Alpha Phi house. No sooner home than off again, this time to New Orleans.

MRS. FRANK DUNN and her bridge club trotted off to Carmel for a couple of days this week — we can't help but wonder if Carmel would improve our bridge game!

DR. AND MRS. STEPHEN JENSEN have just returned from a trip to Fort Lauderdale, Florida, where they enjoyed fishing and sailing, then on to New York where they took in many of the good Broadway plays.

MR. AND MRS CARLTON RANK of Happy Valley went fishing at Guaymas and there met the WILLIAM VAUGHANS of Orinda and had a rollicking time from all accounts.

Just missing them were the **WILLIAM BABCOCKS** who did it the other way around. They went to Arizona first and then to Guaymas.

MR. AND MRS. VICTOR BERGERON of Hidden Valley are leaving for a few weeks jaunt to Honolulu — to get, once more, into the hula and luau mood we expect.

Which reminds us — the date for the Children's Hospital luau at the **VAD JELTONS** has been set for September 8. The plans are really something and Trader Vic is going to lend the magic touch of his supervision. Those of us who went last year wouldn't miss it for anything which is going to be hard to manage because the party is to be considerably smaller this year.

AND NOW about people new in the Valley — MR. AND MRS. THOMAS McGUIRE and three daughters from Piedmont have bought MRS. JACK THALER'S house in Happy Valley. Mrs. Thaler has moved to Berkeley with her niece. Next summer they are going to visit the camp in Switzerland where Mrs. Thaler spent last summer.

MR. AND MRS. EDWIN PIKE, two small sons, and dog Huckleberry have forsaken Orinda in favor of Happy Velley where they are leisurely getting settled in their charming new home.

MR. AND MRS. FIN THRANE and family have just moved into their new home on Overhill Road, having moved here from Los Angeles.

MR. AND MRS. ARTHUR SCHEU have also added to the valley population recently themselves, five children and a baby goat; That is all the excitement we can think of for now but plan to be with you soon again so look for us.

'Travelers' See Grand Old Paris

"Let's Travel," the popular film and lecture series on interesting foreign locales, went to Paris, France, last night for a discussion of that country's travel potentialities, its culture, customs and political institutions.

Monsieur Rene Moutheard, executive of the French National Railways, assisted Richard Nesbitt, moderator of the series, in leading the discussion and presentation of films.

The "Let's Travel" series is one of the many classes open to residents of the Acalanes area in the Acalanes Adult program. Information on classes still open for the new Spring Quarter just started can be had by phoning the high school Monday through Thursday evenings, 7 to 10.

Family Home
Comfortable, modern, expandable, built to last — large lot, shade trees, lawns, shrubs — a nice place to live. Guest house is rented and brings in a tidy income. Walk to Walnut Creek business district. J. H. Carter.
Highland Realty, Walnut Creek 4406
4-27-1c

Happy Valley, Lafayette
A home for the fastidious built by the owner, for comfort and pleasure. Over 2,000 feet living area. The setting is beautiful amongst 1½ acres of large walnut and majestic ornamental shade trees. The landscaping is perfect. I can't describe it, you come see it. This home is so attractive, that I firmly believe the first person to contact me will buy it. Priced below actual appraisal $38,500, better hurry as it can't last. For appointment call Lingelser, Lafayette 3572.

Vic Beauchamp, Josie Hammill To Wed Sunday

Completing his Army basic training at Fort Ord tomorrow, Victor P. Beauchamp, Jr., son of Mr. and Mrs. Victor Beauchamp of Davis Road, will claim Miss Joseph (Josie) Hammill as his bride at wedding rites to be held Sunday evening at St. Clement's Episcopal Church in Berkeley.

The benedict-elect's uncle, Ed Schottman of San Francisco, will give the bride in marriage in the absence of her father, who is unable to be present. Adel Dostal will be her feminine attendant.

Coleman Bervin will be best man for the groom and Russell Bostick and William Smith, all of Berkeley, are to perform ushering duties.

Following the ceremony, a wedding reception for family members and the wedding party will be held at the Davis Road home of the groom's parents. The newlyweds will go to Carmel for their honeymoon.

Miss Hammill, daughter of Mathew Leon Hammill of Montana, is a secretary at the Trailmobile Company in Berkeley. The groom-to-be attended Acalanes High School and graduated from the A-to-Zed School in Berkeley.

Guild Hears Talk on Asia

Section 2 of the Women's Guild of Orinda Community Church met at the church April 11 at noon, the chairman, Mrs. J. G. Hupp, presiding.

After serving dessert and coffee, Mrs. Kenneth Hauter told of projects over the world that were helped by the Women's Thank Offering annual gift. Their gift helps new churches, missions, schools, youth camps and legislative committees.

The treat of the afternoon was the talk on "Southeast Asia" by Mrs. Ernest Spiegl. In this great area, she said, which includes Burma, Siam, the East Indies, and the Philippines, there is no great food problem, but the great surge of nationalism sweeping like a revolution among them, is developing new problems. The introduction of modern improvements in sanitation and health has benefited the masses, and incidentally raised their birth rate, but the introduction of modern machinery and tools has helped commercially only a small wealthy class.

Mrs. Spiegl went on to say that defeating communism requires a wise and long range program on the part of the democratic nations.

Shape Final Plans For Box Supper

Final plans for the old-fashioned box supper party which will be held the evening of May 18 at the home of the Robert Mooreheads at 36 Via Floreada with emphasis on "fun for husbands" were discussed last night.

The box supper committee met at the Moorhead residence, where details were worked out for the event being sponsored by the Womens' Auxiliary of St. Stephen's Episcopal Church.

Dr. Paul Slattery and William A. Sparling have tentatively been chosen as the auctioneers for the party.

Nursery School Spring Dance Set For 12th of May

You don't have to have a child in the Orinda Nursery School to come to the yearly Spring informal dance. It is a wonderful party, just ask those who have been the last few years.

This is what you'll want to know — the place, Diablo Country Club — the date, May 12. We'll speak to the weather man and hope for a warm evening.

The time — cocktails 7 to 8:30, dinner served 8:30 to 10, and oh, what an extra special dinner it is going to be!

The music, our own Gordon Heche's orchestra. All this for $5 a person.

Ask your friends in the Nursery School for tickets or phone Mrs. Wallace Riddell, Orinda 2141, or Mrs. Kleyn-Schoorel, Orinda 5141.

Mrs. E. J. Unruh, president of the school this year; Mrs. Thomas Cullen, vice-president, and Mrs. Lyle York, general chairman for the dance, tell us it is bound to be a good-fun evening.

Board Discusses June Luncheon

The Board of the General Guild met April 19 at 9:30 at the home of Mrs. Lance Barden.

After listening to Gen. Douglas MacArthur's address to Congress, coffee and hot coffeecake were served.

This was followed by a business meeting presided over by the president, Mrs. Richard Hafner.

A morning food sale for Saturday was announced and plans for the June Luncheon were discussed. Those present were Mesdames Lance Barden, R. Hafner, D. Anderson, Ways and Means Chairman J .G. Hupp, G. C. Brown, J. E. Almond, Willis Branch, R. H. Usinger, Peter Veitch, Ken Hauter, Charles Pimental, Paul Booth, John Ogden, Stanley Hunn, Jess McMillan, Ralph Phelps, H. C. Muldner and Ida Zamloch.

Bridge Sections To Meet Friday

The Orinda Mothers Club Bridge sections will meet next Friday, May 4. The morning section will meet at the home of Mrs. Robert Bowles, 102 Orchard Road, at 9:30 a. m.; the afternoon group will meet at the home of Mrs. Donald Krotz, 44 Monte Vista, at 12:30.

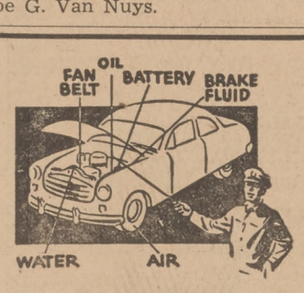
The last morning meeting was held last Friday at the home of Mrs. Alan Waddell, 85 Lombardy Lane. Those attending were Mesdames Robert Bigler, Joseph Downs, F. R. Devon, Robert Bowles, Robert Harrison, William Hueston, George Haas, Jack Moylan, Berton Kohler, Albert Normand, Dan Peacock, Wendel Butcher, Gorden Pray, Joseph Sheaff, William Witter, Bernard Wilbur, Ralph Stocker, Don Krotz, Edward Kiehn, Jack Stahle, Roy Wendelbo, Greg Enlehard and Frank Coffee.

The afternoon group met at the home of Mrs. Melvin Arighi, 1 Orchard Court, at 12:30, and included Mesdames Owen Jones, Victor Richit, John Wassen, William Branch, L. Edbrooke, B. Spurlock, Ida Zamlock, Everett Ham, John Barchfield, Arthur Anderson, James Buxton and A. K. Pettengill.

Orindans Attend Spring Show Preview

A general exodus through the Broadway Tunnel occurred last night when Orinda residents who are lending their sponsorship to the California Spring Garden Show headed their cars for the glittering Sponsors' Preview at the Oakland Exposition Building.

Among Orinda residents who are sponsors are Messrs. and Mesdames H. Hayden Bridwell, Fred J. Federighi, James A. Felchlin, William H. Foster, James H. Freeman, Kenneth Gelwix, Henry William Gentry, Will F. Morrish, Mark Noble, Robert P. Raskob, Mrs. Dorothy E. White, Dr. and Mrs. John L. Gompertz and Dr. and Mrs. Roscoe G. Van Nuys.



Let Us Check These Vital Parts

As a special Spring service we will perform a careful check-up on important automative systems. Takes just a few minutes, costs little and insures safer, more economical driving this Spring.

Delicious Foods On Sale Saturday

Orinda women will have another opportunity to buy delicious cooked food for the weekend on Saturday morning at Frank's Hardware Store at the Crossroads.

This sale is sponsored by the Orinda Women's General Guild and will feature cakes, cookies, candy, pies, salads and casserole dishes. There are some fine cooks among this group which you can prove Saturday.

It is for the benefit of the new church kitchen now being built.

Mills Group Will Handle Child's Party

Orinda Mills Club is now open for booking to give children's parties. Two alumnae, trained in child psychology, will handle each party. All favors and decorations will be furnished by the club.

Age groups from 3 to 10 years will be handled, up to 10 in number. Party activities will last two hours.

Mothers, if you dread birthday parties, call on Orinda Mills Club. Price $7.50 per party. Contact Mrs. Russell Gilwee, Orinda 5921, and settle your party problem.

Happy Birthday to You

DIANNE HAMMOND, 29 Lost Valley Drive, celebrated her fourth birthday on April 15, with a small party, serving ice cream and cake to her guests. Dianne's guests were Patty and Robert Wiseman, Marcia McQuiddy, Steven Read, Nancy Snaver, Linda Mulgren, Lynn Baxter, Leslie Priest and Karen Cristy.

PATTY BOEHM celebrated her ninth birthday April 6 with a dinner followed by games and television. Her guests were Carol Felting, Sue Tharp, Suzanne Lindsay, Marjorie Lee Williams, Susan Henry, Barbara Bowman, Joan Radnich, Chantel Lerch, Diane Nelson, Cathleen Mossotto, Elizabeth Rodden, Gary Olsen, Marty DeMeyer, Michele Harrar, Carolyn Cook and Buzzy Boehm.

MARY GILLIVAN celebrated her seventh birthday April 7 by having friends for lunch followed by Teatro para Ninos. Her guests were Ann Banister, Arlene Nickelmann, Susan Kendall, Betty Lou Kendall, Cathy Strauss, Judy Strauss and Patricia Gillivan.

PETE VAN GILUWE had a merry-go-round cake and a circus theme to make his eighth birthday a gala event April 5. His guests were Jonathan Jensen, Chattin Soule, Barden Wilman, Michael Wilman, Joan Hall, Lorraine Axelson, Susan Kronke, Sarah Van Giluwe and Tommy Cooper.

VANDA GORANSON celebrated her fourth birthday at Fairyland at Lakeside Park April 5. Under the Sugar Plum Tree were served ice cream and cake, and then Vanda and her guests were escorted through Fairyland. Those joining in the fun were Johnny Clayton, Karen Keller, Helen Owom, Nancy Singer, Natalie Grove, Kathy Adams, Laurie Fritzgerald, Linda Bostick and Jimmy Tompkins.

JASPAR ALLARA enjoyed his eighth birthday April 7 by having guests for lunch followed by the show at Teatro para Ninos. Those joining with him were Dennis Allara, Lois Allara, Freddy Carlson, Don White, Bruce Fraser, George Fraser and Bobby Rudolph.

JERRY KIRBY was four years old April 3. After cake and ice cream, he and his little friends went horseback riding. His guests were Barbara Conroy, Judy Kronke, Janet Jones, Billy Cooper, Greg Root and Billy Baumhefner.

CHRIS FELCHLIN was seven years old April 7 and had guests for lunch and Teatro para Ninos. Those celebrating with him were Ricky Collins, Billy Young, Steve Miller, Greg DeWitt, Dick Sutliff, Gary Holtwick, Steve Sorrick, Ricky Kendal, Tommy Ferguson and George Harlander.

KAREN FERNSTEN celebrated her eighth birthday at Tilden Park April 6. After ice cream and cake, there were many rides on the merry-go-round and swings. Those enjoying the afternoon were Leslie Sellers, Lynn Harscha, Lonnie Anderson, Susan Libby, Wendy Shuey, Jim Miller, Mark Lawrence, Howard Creighton, Mason Friese, Peter Stocker and Susen Fernsten.

SUSEN FERNSTEN had her sixth birthday April 11 and wanted a birthday party just like sister Karen. Her guests were Nancy Baker, Catherine Grigg, Suzanne Harrer, Thea Jensen, Mary Catherine Jones, Sheri Libbey, Cheryl Messersmith, Ronni Rasmussen, Janice Schneider, Christine Stocker, Julie Winkworth, Laura Nilmeier, Janet Schwab and Brann Pettler.

JOHNNY COATES celebrated his ninth birthday on Saturday, March 24. His guests enjoyed lunch and the show at Teatro Para Ninos. Those joining him were Michael Gillivan, Michale Bigler and Jeff Schwarck.

JUDY LUCAS had her seventh birthday party despite a broken arm. She fell from a tree but four days later, Saturday, March 24, she was able to enjoy her party all decked out in a cast. The party had an Easter theme, and was enjoyed by Janet and Dinny Lucas, Bob and Jinny Eberlin, Ginger Ketsdever, Sally Twining, Linda Sears, Carolyn Coburn, Betsy Ann Kilbourn, Cheryl Worta, Cheri Wilson, Vicky Butler, Timmy Worta, Susan Tenble, Ann Anderson, Wendy Anderson, Sally Lucas and Randy Lucas.

Clippers to Meet At Howe Home

Clipper Club meeting tonight at 8 will be favored with a specially prepared talk by Dr. Clarence Holleman, former medical adviser to China, at the Everett Howes', 15 Glorietta Court.

Mention of Ernest Wertheim, landscape architect and principal speaker at the last Clipper meeting was inadvertently omitted from the post-meeting note in Last Friday's SUN.

Dramateur Performs In Berkeley Play

Harry Rasmussen, well known in Orinda for his work with the Dramateurs for the past four years, plays the part of "Duffy" in the Berkeley Little Theater's current presentation of "All the King's Men." The play was given last Friday and Saturday nights and will be given again tonight and tomorrow night.

The part of the unscrupulous politician that Rasmussen performs in the Berkeley Theater Workshop production of Robert Penn Warren's play is a distinct departure from his roles in Dramateur productions. In past performances with this group he appeared as the judge in "The Night of January 16th," the Senator in "John Loves Mary" and "J.B.," the big business man, in "Junior Miss."

Santa Maria Women Will Meet Tuesday

Regular monthly meeting of the Santa Maria Catholic Women's Club will be held at 8 next Tuesday evening in the main dining room of St. Mary's College. There will be a short business meeting followed by a program and refreshments.

Hostesses for the evening will be Mrs. Norman Ketzdever, Mrs. Roy Niosi and Mrs. John Stoffel.

Mrs. Repp Gives Pandora Lunch

Mrs. Fred Repp of Orchard Road was hostess at a Pandora Chapter bridge luncheon at the Orinda Country Club on April 12.

Her guests were Mesdames Joseph Bernardi, Clarence Betz, Challis Gore, H. J. Frolich, G. M. Heinrici, Ida Zamloch and Victor H. Richit. Mrs. Barnardi held high score, and second prize was won by Mrs. Richit.

Mrs. Repp is president of the Pandora Chapter of the Children's Home Society.

Pandora Chapter Elects Officers

The Pandora Chapter of the Children's Home Society held its April meeting at the home of the president, Mrs. Fred Repp, on Orchard Road, April 16.

Mrs. Repp was assisted by Mrs. G. M. Heinrici and Mrs. H. J. Frohlich.

Officers for the coming year were elected: Mrs. John Barchfield, president, Mrs. A. F. Nelson, vice-president, Mrs. William K. HMouston, secretary and Mrs. Lloyd Calloway, treasurer.

Also present at this meeting were two new members who have recently been added to the membership list, Mrs. Edward Dorresten and Mrs. Joseph Bernardi.

Phyliss Arnold Weds in Reno

Mr. and Mrs. John W. Arnold of 209 Orinda Highway announce the marriage of their daughter, Phyllis Arlene, to David J. Finzel on April 11 in Reno.

Orindans at Spring Dance of Muir Group

Mr. and Mrs. Charles Wilson, Mr. and Mrs. W. C. Little, Mr. and Mrs. Neil Munro and Dr. and Mrs. S. W. Smith were among the Orindans at the annual Spring dance given last Saturday night at Diablo Country Club by Muir Branch, Children's Hospital of the Eastbay.

St. Stephen's Starts New Service May 6th

Rev. Frederick A. Schilling, vicar of St. Stephen's of Orinda, has announced that an additional service will be inaugurated Sunday, May 6.

It will be a plain communion service at 8:30 a.m. This will be in addition to the regular service at 11 a.m.

Seatons Visit Parents In Santa Barbara

Mr. and Mrs Dwight Seaton, 48 Lost Valley Drive, have returned from a visit with Mrs. Seaton's parents, Mr. and Mrs. Leitch, of Santa Barbara. While in the south the two couples made a motor trip to Death Valley, Las Vegas, Boulder Dam, and the Mojave Desert.

Parents Here

Captain and Mrs. M. G. Kennedy, of 59 Lost Valley Drive, have as their guests Mrs. Kennedy's parents, Mr. and Mrs. Paul Sitlington of Kansas City, Missouri. Mr. and Mrs. Sitlington drove out, stopping a few days in Los Angeles with their son and daughter-in-law.

Fowlers Entertain Family

Titus Fowler and son Paul of New Jersey flew north from a business trip to Los Angeles recently. They were met in the San Francisco airport by Mr. and Mrs. E. J. Fowler and brought to Orinda, where they spent a few days.

The Fowlers' other son, John, from Oshkosh, Wisconsin, arrived the end of last week. He came west on lumber business.

The E. J. Fowlers were disappointed that these two sons have had to see Orinda during a cold, foggy period.

The E. J. Fowlers are leaving Orinda regretfully this week for their farm in Oshkosh.

Gay Party Set by Orioles, Tanagers

Get your best bib and tucker ready, your Easter bonnet, it's less than two weeks before the Tanagers and Orioles Spring Canasta-Bridge Luncheon, May 9 at Mt. Diablo Country Club. This promises to be one of the big social events of the season. For reservations, call Mrs. Berton Kohler or Mrs. R. W. Johnston.

Final plans were discussed at a joint board meeting Monday at 10 a.m. at the home of Mrs. Joseph B. Downs, 94 Sleepy Hollow Lane. This was followed by the regular Tanager monthly meeting, Wednesday evening at the home of Mrs. Wesley Smith, 150 Orinda Highway.

General Guild To Meet Tuesday

The General Guild of Orinda Community Church will meet next Tuesday at the church at 12:30 p.m.

The hostesses will be members of Section 3. The devotion will be led by Mrs. J. J. McMillan.

On the program will be Cyril Warren, who will talk on "No Mystery in Orchids."

Betty Dawson 6th in Golf Tourney Section

Barbara Dawson, Orinda, placed sixth in the first 36-hole section of the Women's Weathervane Cross-Country Golf Tournament played in Dallas, Texas, recently.

Platts to Move Here

Among newcomers to Orinda will be the William Leggett Platts (Carol Christensen), who are planning to move from Oakland to their new residence this side of the Tunnel.

An important new personage in the family, several-weeks-old James Leggett Platt, will accompany his parents to their new home.

Visits Diamond Head

Mrs. Wallace M. Alexander is in Hawaii for a visit to her home on Diamond Head. She sailed for the Islands April 11.
